AGENDA APPROVAL – Additions, Deletions, Revisions

MATTERS BY THE PUBLIC – Persons wishing to address the Board are requested to complete an "Appearance Card" and will be limited to three (3) minutes. Please see the Minutes Clerk prior to the meeting.

CONSENT AGENDA

Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion in the form listed below. If discussion is desired by any Board Member, however, that item may be removed from the Consent Agenda and considered separately.

C1. MOTION TO APPROVE: Minutes of Governing Board's Regular Meeting of March 22, 2013

REGULAR AGENDA

Those matters included under the Regular Agenda differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion, if so desired.

R1. MOTION TO APPROVE: The South Florida Regional Transportation Authority (SFRTA) FY 2013-2014 Operating Budget for $75,315,406.

Department: Finance & Information Technology
Project Manager: Elizabeth Walter-Ebersole
Department Director: Edward T. Woods
Procurement Director: Christopher Bross

R2. MOTION TO APPROVE: The South Florida Regional Transportation Authority (SFRTA) FY 2013-2014 Capital Budget in the amount of $113,428,833.

Department: Finance & Information Technology
Project Manager: Elizabeth Walter-Ebersole
Department Director: Edward T. Woods
Procurement Director: Christopher Bross

R3. MOTION TO APPROVE: Wave Modern Streetcar Partnership Agreement among South Florida Regional Transportation Authority (SFRTA), the Broward Metropolitan Planning Organization (MPO), the City of Fort Lauderdale, the Downtown Development Authority (DDA) of the City of Fort Lauderdale, and Broward County in coordination with capital stakeholders, the Federal Transit Administration (FTA), and the Florida Department of Transportation (FDOT) for the Wave Modern Streetcar Planning, Finance, Design, Implementation, Project Sponsorship, Ownership, Operations, and Maintenance (the "Partnership Agreement").

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.
Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

R4. MOTION TO APPROVE:

(A) The Fort Lauderdale Wave Streetcar TIGER Grant Agreement between the South Florida Regional Transportation Authority (SFRTA) and Federal Transit Administration (FTA) where the SFRTA will be the recipient grantee of Federal funds, in the amount of $18,000,000 for the Design and Construction of the Wave Modern Streetcar Project.

(B) Delegated Authority to the Executive Director to finalize and execute the corresponding document, and any associated documentation, in FTA's Transportation Electronic Award Management (TEAM) system.

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.
Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

R5. MOTION TO APPROVE: Agreement No. 12-008 between the South Florida Regional Transportation Authority (SFRTA) and _____(TBD), to provide Project Management Consulting Services for the Wave Modern Streetcar Project (Project) in the maximum not-to-exceed amount of $_____(TBD).

Department: Engineering and Construction
Project Manager: Brandy Creed
Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

R6. MOTION TO APPROVE: Joint Participation Agreement (JPA) between the South Florida Transportation Authority (SFRTA) and the Florida Department of Transportation (FDOT), for funds in the amount of $3,322,707 towards the Project Management Consultant Services (PMC) and design services for the Ft. Lauderdale Wave Modern Streetcar Project (WAVE).

Department: Finance & Information & Technology
Project Manager: Elizabeth Walter-Ebersole
Department Director: Edward Woods
Procurement Director: Christopher Bross

R7. MOTION TO APPROVE:

(A) The Memorandum of Understanding (MOU) between South Florida Regional Transportation Authority (SFRTA), Broward County, Florida Department of Transportation (FDOT), and the City of Fort Lauderdale regarding Wave Modern Streetcar Project property in substantially the form provided; and

(B) Delegated Authority to the SFRTA Chair to finalize and execute the MOU for transmittal to the Federal Transit Administration (FTA) on behalf of SFRTA.

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.

Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

R8. MOTION TO APPROVE: Tri-Rail Coastal Link Memorandum of Understanding (MOU).

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.

Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

R9. MOTION TO APPROVE: Amendment 3 to Joint Participation Agreement AQ769 (JPA) between the South Florida Transportation Authority (SFRTA) and the Florida Department of Transportation (FDOT) District-6 (D6), for additional funds in the not-to-exceed amount of $336,126.28 towards security at the Hialeah Market Station.

Department: Finance & Information & Technology
Project Manager: Elizabeth Walter-Ebersole

Department Director: Edward Woods
Procurement Director: Christopher Bross

R10. MOTION TO APPROVE: Third of four (4) one (1) year renewal options to Agreement No. 10-014, between the South Florida Regional Transportation Authority (SFRTA) and South Florida Education Center (SFEC) Transportation Management Association (TMA) for Shuttle Bus Services. Under the Agreement, SFRTA will provide fifty (50%) of the operating funds for the SFEC/Tri-Rail route, in the maximum not-to-exceed amount of $95,000 for Fiscal Year 2013/14.

Department: Operations
Project Manager: Chad Betts

Department Director: Bradley Barkman
Procurement Director: Christopher Bross

ADJOURNMENT

In accordance with the Americans with Disabilities Act and Section 286.26, Florida Statutes, persons with disabilities needing special accommodation to participate in this proceeding, must at least 48 hours prior to the meeting, provide a written request directed to the Executive Office at 800 NW 33rd Street, Suite 100, Pompano Beach, Florida, or telephone (954) 942-RAIL (7245) for assistance; if hearing impaired, telephone (800) 273-7545 (TTY) for assistance.

Any person who decides to appeal any decision made by the Governing Board of the South Florida Regional Transportation Authority with respect to any matter considered at this meeting or hearing, will need a record of the proceedings, and that, for such purpose, he/she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Persons wishing to address the Board are requested to complete an "Appearance Card" and will be limited to three (3) minutes. Please see the Minutes Clerk prior to the meeting.

MINUTES
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
GOVERNING BOARD REGULAR MEETING
OF MARCH 22, 2013

The regular meeting of the South Florida Regional Transportation Authority Governing Board was held at 9:30 a.m. on Friday, March 22, 2013 in the South Florida Regional Transportation Authority Board Room, 800 Northwest 33rd Street, Suite 100, Pompano Beach, Florida 33064.

BOARD MEMBERS PRESENT:
Steven Abrams, Chair, Palm Beach County Mayor
Bruno Barreiro, Vice Chair, Miami-Dade County Commissioner – *arrived at 10:00 a.m.*
James A. Cummings, Citizen Representative, Broward County
Frank Frione, Governor's Appointee
Kristin Jacobs, Broward County Mayor
George Morgan, Governor's Appointee
James A. Wolfe, Florida Department of Transportation, District IV

BOARD MEMBERS ABSENT:
Marie Horenburger, Citizen Representative, Palm Beach County
Nick A. Inamdar, Citizen Representative, Miami-Dade County

ALSO PRESENT:
Joseph Giulietti, Executive Director, SFRTA
Jack Stephens, Deputy Executive Director, SFRTA
Bonnie Arnold, Public Information Officer, SFRTA
Bradley Barkman, Director of Operations, SFRTA
Chris Bross, Director of Procurement, SFRTA
Diane Hernandez Del Calvo, Director of Administration, SFRTA
Mary Jane Lear, Director of Human Resources, SFRTA
Renee Matthews, Director of Special Projects, SFRTA
Daniel Mazza, P.E., Director of Planning and Engineering, SFRTA
Teresa Moore, General Counsel, SFRTA
Jeffrey Olson, Deputy General Counsel, SFRTA
Edward Woods, Director of Finance & IT, SFRTA
Sandra Thompson, Executive Administrative Coordinator, SFRTA

CALL TO ORDER

The Chair called the meeting to order at 9:30 a.m.

ROLL CALL

The Chair requested a roll call.

MOMENT OF SILENCE

PLEDGE OF ALLEGIANCE

AGENDA APPROVAL – Additions, Deletions, Revisions

Mr. Joseph Giulietti requested the following deletion to the Agenda:

R1. MOTION TO APPROVE: Southeast Florida Passenger Rail Coordination Memorandum of Understanding (MOU).

Board Member George Morgan moved for approval of the Agenda as amended. The motion was seconded by Board Member Jim Cummings.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

MATTERS BY THE PUBLIC

Mr. Michael Smith of Ft. Lauderdale, FL addressed the Board. Mr. Smith commented that as a Tri-Rail rider, funds for signage at the Miami Airport (MIC) come from federal funds and requested equal billing for Tri-Rail; AMTRAK and other transportation operations.

Mr. John Gaige of Surfside, Florida, representing the Brotherhood of Railroad Signalman (BRS), addressed the Board. He stated that the BRS recognizes that the SFRTA is preparing to take over dispatch and maintenance of the SFRC. He stated that in 2006 the BRS brought to SFRTA's attention the 13-C Agreement that has been in effect since 1992 that stated that any new contractor was obligated to honor the Agreement. Mr. Gaige inquired as to SFRTA's plan and intentions to include the Agreement in the RFP.

Mr. Giulietti responded that the SFRTA is aware of the 13-C Agreement and several other agreements. The SFRTA will notify all parties when it is time to submit an RFP.

Ms. Moore added that the SFRTA is aware of the obligations under the 13-C Agreement and the SFRTA does not intend to countermand them at any time.

CONSENT AGENDA

Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion in the form listed below. If discussion is desired by any Board Member, however, that item may be removed from the Consent Agenda and considered separately.

C1. MOTION TO APPROVE: Minutes of Governing Board's Regular Meeting of February 22, 2013.

Board Member Jim Cummings moved for approval of the Consent Agenda. The motion was seconded by Mayor Kristen Jacobs.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

REGULAR AGENDA

Those matters included under the Regular Agenda differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion, if so desired.

R2. MOTION TO APPROVE: Recommendation to exercise the first of two (2) one (1) year renewal options to Agreement No. 10-013 between the South Florida Regional Transportation Authority (SFRTA) and Gilly Vending Inc. for Vending Machine Services.

Board Member Jim Cummings moved for approval. The motion was seconded by Mayor Kristen Jacobs.

Mayor Jacobs stated the she will not support another extension of this contract beyond this year if the contract is not followed as required. Mayor Jacobs stated she was disturbed that the vendor did not adhere to a uniform pricing structure as required in the contract.

Board Member Morgan inquired if there is an agreement that price changes must go through the SFRTA.

Ms. Moore responded that the vendor has to have approval from the SFRTA for any price changes.

Mr. Giulietti clarified that who was distributing/servicing the various machines made a price adjustment of .25 to .50 in the different machines. This was brought to SFRTA's attention and the SFRTA discussed this with the vendor. The vendor is currently not allowed to adjust prices and they are being held to the original contract pricing.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

R3. MOTION TO APPROVE: The South Florida Regional Transportation Authority 2013 Title VI Program Update, in accordance with Title VI of the Civil Rights Act of 1964.

Board Member Jim Cummings moved for approval. The motion was seconded by Board Member George Morgan.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

INFORMATION / PRESENTATION ITEMS

Action not required, provided for information purposes only. If discussion is desired by any Board Member, however, that item may be considered separately.

I-I. PRESENTATION - Tri-Rail Coastal Link On FEC Corridor Update

Mr. William Cross, Planning Manager, SFRTA gave a detailed update PowerPoint presentation on the progress of the project. Mr. Cross noted that due to the participation of several SFRTA Board Members attending the last meeting, significant progress was made. A Memorandum of Understanding (MOU) in support of the Tri-Rail Coastal Line Project is being circulated among the parties and their legal departments are fine tuning the wording. A schedule of MOU approvals and presentations is progressing. SFRTA approval is anticipated for April 26, 2013.

Mayor Kristin Jacobs moved to approve the "FEC MOU" letter. Board Member Jim Cummings seconded the motion.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

Board discussion took place.

Board Member James Wolfe moved for approval of the SFRTA Boards support proceeding with the entire corridor project development and environmental study. The motion was seconded by Board Member Jim Cummings.

The Chair called for further discussion and/or opposition to the motion. Upon hearing none, the Chair declared the motion carried unanimously.

Commissioner Bruno Barreiro arrived at 10:00 a.m.

I-2. PRESENTATION - The WAVE Update

Mr. William Cross, Planning Manager, SFRTA gave a detailed PowerPoint presentation on the progress of the project.

Board discussion took place.

FISCAL YEAR 2013-2014 OPERATING BUDGET

REQUESTED ACTION:

MOTION TO APPROVE: The South Florida Regional Transportation Authority (SFRTA) FY 2013-2014 Operating Budget for $75,315,406.

SUMMARY EXPLANATION AND BACKGROUND:

The SFRTA Operating Budget was prepared in accordance with Florida Statutes ("F.S. ") 343.58 and 341.303(4), the Federal Transit Administration grant guidelines, and the Florida Department of Transportation Joint Participation Agreements.

The SFRTA proposed Operating Budget for FY 2013-2014 is $75,315,406, an increase of $4,961,150 over the FY 2012-2013 Amended Operating Budget.

Department: Finance & Information Technology
Project Manager: Elizabeth Walter-Ebersole

Department Director: Edward T. Woods
Procurement Director: Christopher C. Bross

FISCAL IMPACT: The Operating Budget provides funding for SFRTA's FY 2013-2014 operations in the amount of $75,315,406.

FISCAL YEAR 2013-2014
CAPITAL BUDGET

REQUESTED ACTION:

MOTION TO APPROVE: The South Florida Regional Transportation Authority (SFRTA) FY 2013-2014 Capital Budget in the amount of $113,428,833.

SUMMARY EXPLANATION AND BACKGROUND:

The SFRTA Capital Budget was prepared in accordance with Florida State Statutes F.S. 343.58, Federal Transit Administration grant guidelines and Florida Department of Transportation Joint Participation Agreements.

The proposed FY 2013-2014 Capital Budget totals $113,428,833 (See Exhibit 1). The Budget consists of Metropolitan Planning Organization (MPO), special taxing district, city, state, federal, and the SFRTA funds. These funds are to be used to finance the SFRTA new and on-going projects. Some of the major initiatives planned are:

- **$78,922,707** is being budgeted for the Wave project. The funding for the $78,922,707 is comprised of the following: $28,322,707 is being contributed by the Florida Department of transportation (FDOT); $18,000,000 in Transportation Investment Generating Economic Recovery (TIGER) Funds from the Federal Government; $13,960,000 from a Special Taxing District; $10,500,000 from the City of Ft. Lauderdale; and $8,140,000 from the Broward MPO. The remaining $4,277,293 will be programmed in FY 2014-2015. This brings the total projected cost of Phase 1 to $83,200,000.

(Continued on page 2)

Department: Finance & Information Technology
Project Manager: Elizabeth Walter-Ebersole

Department Director: Edward T. Woods
Procurement Director: Christopher Bross

FISCAL IMPACT: Funding for these projects consists of $40,000,000 in new Federal Funding, $8,010,000 in SFRTA (County Gas Tax) Funds, $29,558,833 in State Funding, 8,940,000 from Broward MPO, $24,460,000 from the City of Ft. Lauderdale and the Taxing District and a Credit from Hyundai Rotem for spare parts for $2,460,000.

Exhibit 2 – FY 2013-2014 Capital Revenue Budget & Five Year Plan

FISCAL YEAR 2013-2014
CAPITAL BUDGET

SUMMARY EXPLANATION AND BACKGROUND: (Continued)

- **$10,043,292** of next year's Federal Transit Administration (FTA) capital funds will be used for Preventive Maintenance as part of our Operating Budget. The total Preventive Maintenance funds budgeted for operations in FY 2013-2014 is $20,472,940. The difference is being funded using carryover from the previous fiscal year;

- **$6,680,000** is for additional funding for new Locomotives. The estimated cost of the twelve (12) new locomotives is $61,367,724. This $6,680,000 brings the total amount allocated to this project to $61,242,893. The $124,831 difference will be programmed in the FY 2014-2015 Capital Budget;

- **$2,600,000** is being budgeted for the Miami River Intermodal Center (MR-MICCI);

- **$2,500,000** will be used to fund various planning studies;

- **$1,700,000** will be used to fund the Planning Department and Administrative Support for capital projects.

WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT BETWEEN THE CITY OF FORT LAUDERDALE, BROWARD METROPOLITAN PLANNING ORGANIZATION, THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF FORT LAUDERDALE AND BROWARD COUNTY

REQUESTED ACTION:

MOTION TO APPROVE: Wave Modern Streetcar Partnership Agreement among South Florida Regional Transportation Authority (SFRTA), the Broward Metropolitan Planning Organization (MPO), the City of Fort Lauderdale, the Downtown Development Authority (DDA) of the City of Fort Lauderdale, and Broward County in coordination with capital stakeholders, the Federal Transit Administration (FTA), and the Florida Department of Transportation (FDOT) for the Wave Modern Streetcar Planning, Finance, Design, Implementation, Project Sponsorship, Ownership, Operations, and Maintenance (the "Partnership Agreement").

SUMMARY EXPLANATION AND BACKGROUND:

SFRTA staff is requesting approval of the Partnership Agreement.

(Continued on page 2)

Department: Planning & Capital Development Department Director: Daniel R. Mazza, P.E.
Project Manager: William L. Cross, P.E. Procurement Director: Christopher Bross

FISCAL IMPACT: Approves the Partnership Agreement for funding an estimated $142.59 million in capital costs and estimated $2.5 million in annual operating and maintenance costs (O&M), escalating with inflation, beginning in 2016 for at least 20 years. SFRTA has no capital or operational commitment and will be reimbursed for staff time through the Federal Grants (as defined in the Partnership Agreement). SFRTA's capital budget will reflect all funds & expenditures through the life of the Project.

Exhibit 3 – Wave Modern Streetcar Partnership Agreement
Exhibit 4 - Presentation on Agreement

WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT BETWEEN THE CITY OF FORT LAUDERDALE, BROWARD METROPOLITAN PLANNING ORGANIZATION, THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF FORT LAUDERDALE AND BROWARD COUNTY

SUMMARY EXPLANATION AND BACKGROUND: (CONTINUED)

In 2005, the DDA, in coordination with the County, and key partners including the MPO, the FDOT, and the City of Fort Lauderdale, hired a consultant to complete an Alternative Analysis, and Environmental Assessment and Preliminary Engineering study for the Downtown Transit Circulator (DTC) aka "Wave Modern Streetcar" light rail project (the "Study"). The Study was the first step in the Wave Modern Streetcar Project (the "Project") development process for eligibility for FTA's Section 5309 Small Starts Capital Investment Grant Program, required by the FTA in order to evaluate a project for grant funding. Subsequently, SFRTA has successfully completed the Study on behalf of the partnership and obtained FTA approval.

On February 25, 2011, the SFRTA Governing Board adopted Resolution No. 11-02 (Exhibit 1) supporting the "Wave Modern Streetcar" and approving SFRTA's participation as Project Sponsor under FTA's Small Starts discretionary grant program and Designated Recipient of FTA Funds. As Project Sponsor, SFRTA will manage the design, vehicle procurement and construction of the system in conjunction with the other Partners.

The entire Wave Modern Streetcar project will be an approximately 2.7-mile electric modern streetcar system which will connect the Florida Atlantic University/Broward College downtown campus, the Broward County Courthouse/Judicial Complex, the Broward General Medical Complex, the Broward County Governmental Center, Fort Lauderdale Museum of Art, Broward County Transit's downtown transit terminal along with numerous other residential, entertainment and recreational, commercial and employment destinations (defined as Phase 1 in the Agreement). (See Exhibit 2).

In September 2011, SFRTA (on behalf of the partners) applied to FTA for $50 million in Federal funding, under the Section 5309 Small Starts Program, for the Project. The application is still pending with FTA. In March 2012, SFRTA (on behalf of the partners) submitted a Transportation Investment Generating Economic Recovery (TIGER) grant application to the FTA for Phase 1A (the first 1.42 miles of the Wave Modern Streetcar) of the Project. In June 2012, FTA awarded an $18 million TIGER discretionary grant ("TIGER Grant") for the project to SFRTA towards the capital costs of Phase 1A of the Project. Under the TIGER Grant agreement, SFRTA is listed as the Project Sponsor.

WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT BETWEEN THE CITY OF FORT LAUDERDALE, BROWARD METROPOLITAN PLANNING ORGANIZATION, THE DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF FORT LAUDERDALE AND BROWARD COUNTY

SUMMARY EXPLANATION AND BACKGROUND: (continued)

The Partnership Agreement outlines the participation of the partners for the capital funding portion of the Project (FTA, FDOT, City of Fort Lauderdale and MPO), the Project implementation for the construction portion of the Project (SFRTA) and the Project funding for operation and maintenance of the Project (County). SFRTA has agreed to lead Project planning, act as Project implementer and Sponsor and will competitively bid and procure contractor(s) for the design, and construction of the Project, and the provision of rolling stock (vehicles) for the Project. The funding provided by FTA and FDOT is pursuant to separate agreements between those entities and SFRTA, i.e. they are not parties to the Partnership Agreement.

Broward County has already approved the Partnership Agreement. Based on the current schedule, the other partners will have met and approved the Partnership Agreement prior to the SFRTA April Board Meeting.

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY

RESOLUTION NO. 11-02

A RESOLUTION OF THE GOVERNING BOARD OF THE SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHOIRITY EXPRESSING SUPPORT FOR THE FORT LAUDERDALE STREETCAR, THE WAVE; SFRTA'S INTENT TO PARTICIPATE AS PROJECT SPONSOR UNDER THE FEDERAL TRANSIT ADMINISTRATION'S (FTA'S) SMALL STARTS DISCRETIONARY GRANT PROGRAM; SFRTA'S INTENT TO MANAGE THE DESIGN, VEHICLE PROCUREMENT, AND CONSTRUCTION OF SAID SYSTEM; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, by the year 2035 the Southeast Florida population is expected to increase by thirty percent, but reasonable opportunities to expand highway capacity are limited, which will dramatically worsen congestion levels and travel times; and

WHEREAS, the 2000 United States Census found the South Florida region (excluding the Everglades) to be the third most densely populated metropolitan area in the nation; and

WHEREAS, benefits of public transportation include reduced travel time, reduced congestion, enhanced safety, improved access for workers, lower transportation costs, lower business costs, lower cost of living, increased business productivity, lower prices and costs of other goods and services, and promote economic growth; and

WHEREAS, riding public transportation provides significant environmental benefits and has been cited as the best way to lower a household's carbon footprint; and

WHEREAS, investment in public transportation has been found to create more jobs than other commonly recommended economic sectors and strategies; and

WHEREAS, there is a critical need to develop adequate transit service to provide for the mobility and economic needs of Southeast Florida residents; and

WHEREAS, the WAVE is an environmentally friendly streetcar system planned for Downtown Fort Lauderdale; and

WHEREAS, the Downtown Development Authority ("DDA") has organized a coalition of partners to support the WAVE streetcar project including Broward County, the Florida Department of Transportation, the City of Fort Lauderdale, the Broward MPO, and SFRTA, among other agencies (the "Partners"); and

WHEREAS, the WAVE streetcar system could be expanded in the future to provide premium transit access from the Fort Lauderdale/Broward Boulevard Tri-Rail Station into downtown Fort Lauderdale; and

WHEREAS, the WAVE streetcar system could be expanded in the future to provide premium transit access to the Fort Lauderdale/Hollywood International Airport, the Fort Lauderdale/Hollywood Airport Tri-Rail Station, and the South Florida Education Center; and

WHEREAS, economic growth and redevelopment along the WAVE should result in new, compact residential and commercial development, including new residents and office space within walking distance of the South Florida Rail Corridor; and

WHEREAS, the Florida Department of Transportation has committed to fund 20% of the project capital costs when a FTA grant is awarded to the WAVE; and

WHEREAS, the Broward County Commission has committed to own, operate and fund on-going operations and maintenance costs of the WAVE; and

WHEREAS, the City of Fort Lauderdale pledged $10.5M towards the local share of capital costs of the WAVE; and

WHEREAS, the City of Fort Lauderdale has transit supportive land uses in place; and

WHEREAS, the WAVE study has examined a list of transit alternatives or alignments, and a variety of transit vehicles or technologies and conducted extensive public outreach; and

WHEREAS, the SFRTA is a Designated Recipient of FTA funds; and

WHEREAS, the SFRTA has previously been a FTA Project Sponsor of a New Starts Full Funding Grant Award; and

WHEREAS, the SFRTA has procured highly specialized commuter rail locomotives and rolling stock; and

WHEREAS, the SFRTA has managed the planning, environmental review, design and construction of major rail transit improvements; and

WHEREAS, the SFRTA was created on July 1, 2003, by an act of the Florida Legislature (Florida Statutes Chapter 343) to plan, develop, own, operate, maintain, and manage transit systems in the tri-county area of Broward, Miami-Dade and Palm Beach Counties.

WHEREAS, the SFRTA mission is to "Coordinate, develop, implement, in cooperation with other government agencies and the community, a viable transportation system that improves quality of life, and promotes sustainable growth for future generations."

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BOARD OF THE SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY THAT:

SECTION 1. The WAVE streetcar system to be located in the City of Fort Lauderdale, serves the joint purpose of enhanced mobility and economic development.

SECTION 2. SFRTA intends to participate as Project Sponsor under FTA's Small Starts discretionary grant program and administer funds as a Designated Recipient (DR) of FTA Funds.

SECTION 3. SFRTA intends to manage the design, vehicle procurement and construction of said system in conjunction with the other Partners.

SECTION 4. DDA is encouraged to work with SFRTA and other partners to develop an interlocal agreement for approval by their respective Boards within the next six months that defines each partner's roles and responsibilities to the WAVE streetcar system and each other.

SECTION 5. DDA is encouraged to work with local governments to develop financing mechanisms for a portion of capital costs and operation and maintenance.

SECTION 6. DDA is encouraged to work with local governments to develop complementary land use plans and local development regulations that are transit supportive.

SECTION 7. The SFRTA Governing Board hereby authorizes DDA to forward a copy of this resolution to all government agencies involved, including County commissions and officials involved in regional transit planning, the South East Florida Transportation Council, the three Metropolitan Planning Organizations, the Florida League of Cities, municipalities and Chambers of Commerce within the South Florida area, and FDOT Districts 4 and 6.

SECTION 8: Effective Date. This resolution shall become effective immediately upon its passage.

ADOPTED this 25th day of February, 2011.

The foregoing resolution was offered by Board Member Commissioner Kristen Jacobs, who moved its adoption. The motion was seconded by Board Member Commissioner Steven L. Abrams, and upon being put to vote, the votes were as follows:

Commissioner Steven L. Abrams - yes
Commissioner Bruno A. Barreiro, Chair - yes
Member James Cummings - yes
Member Marie Horenburger - absent
Commissioner Kristen Jacobs - yes
Member Felix Lasarte - yes
Member George Morgan, Jr. - absent
Member Gus Pego. - yes
Member F. Martin Perry – yes

The Chairperson thereupon declared the resolution duly passed and adopted this 25th day of February, 2011.

THE WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT

This agreement (the "Agreement") is made and entered into by and between: BROWARD COUNTY, a political subdivision of the State of Florida, hereinafter referred to as "COUNTY;"

and

BROWARD METROPOLITAN PLANNING ORGANIZATION, created pursuant to Section 339.175, Florida Statutes ("F.S."), hereinafter referred to as "BROWARD MPO;"

and

CITY OF FORT LAUDERDALE, a municipal corporation organized and existing under the laws of the State of Florida, its successors and assigns, hereinafter referred to as "CITY;"

and

DOWNTOWN DEVELOPMENT AUTHORITY OF THE CITY OF FORT LAUDERDALE, a body politic and corporate and an agency of the City of Fort Lauderdale as established by the laws of the State of Florida, hereinafter referred to as "DDA;"

and

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY, a body politic and corporate and an agency of the State of Florida created pursuant to Chapter 343, Florida Statutes, herein referred to as "SFRTA;"

THE WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT

RECITALS

WHEREAS, the parties to this Agreement are collectively referred to herein as the "PARTNERS;" and

WHEREAS, it is the purpose and intent of the PARTNERS to this Agreement, to permit DDA, BROWARD MPO, SFRTA, COUNTY and CITY to make the most efficient use of their respective powers, resources and capabilities by enabling them to cooperate on the basis of mutual advantage and thereby accomplish the objectives provided for herein in the manner that will best accord with the existing resources available to each of them and with the needs and developments within their respective jurisdictions; and

WHEREAS, the Federal Transit Administration ("FTA") of the United States Department of Transportation and the Florida Department of Transportation ("FDOT") are CAPITAL STAKEHOLDERS (as defined herein) in the PROJECT and have allocated CAPITAL FUNDS for Design and Construction contingent upon the PARTNERS entering into this Agreement identifying their roles and responsibilities; and

WHEREAS, FTA and FDOT will enter into additional agreements with the SPONSOR (as defined herein) on the Federal and State requirements; and

WHEREAS, this Agreement is intended to generally outline the preliminary components and identify the roles and responsibilities of the PARTNERS at this stage of the PROJECT (as defined herein); and

WHEREAS, DDA coordinated the multi-governmental development of a transit and pedestrian master plan for downtown Fort Lauderdale (hereafter "Fort Lauderdale Downtown Transit/Pedestrian Master Plan"); and

WHEREAS, the Fort Lauderdale Downtown Transit/Pedestrian Master Plan identifies the benefits of implementing a downtown transit corridor program; and

WHEREAS, downtown transit corridor programs are included in the Broward County Comprehensive Plan, the City of Fort Lauderdale Comprehensive Plan, and the Broward MPO Long Range Transportation Plan; and

WHEREAS, a component of each downtown transit corridor program is a downtown transit circulator hereinafter referred to as the "WAVE MODERN STREETCAR" (as defined herein); and

WHEREAS, DDA, BROWARD MPO, CITY, COUNTY, FDOT and SFRTA have worked at the federal, state, regional, county and city level to create the WAVE MODERN STREETCAR; and

WHEREAS, the CITY adopted Resolution No. 08-71 which endorsed the WAVE MODERN STREETCAR, recommended route E-1 as the CITY's

preferred route and technology (the "Locally Preferred Alternative" or "LPA"), identified the CITY's funding level and endorsed using the special assessment process to provide additional capital financial support for the WAVE MODERN STREETCAR; and

WHEREAS, the COUNTY adopted Resolution 2008-579, which supported the WAVE MODERN STREETCAR, adopted route E-1 as the COUNTY's preferred route and technology (the LPA), approved a finance plan (not the same as the FINANCE PLAN defined herein), and committed to funding the operation and maintenance needs of the WAVE MODERN STREETCAR for 20 years, subject to the conditions stated herein; and

WHEREAS, the FTA in June 2012 awarded a Transportation Investment Generating Economic Recovery ("TIGER") grant in the amount of Eighteen Million Dollars ($18,000,000) to SFRTA for PHASE 1A (as defined herein), and FDOT has allocated funds as described and defined in the TIGER GRANT APPLICATION (as defined herein); and

WHEREAS, the TIGER GRANT does not provide sufficient funding for implementation of PHASE 1 (as defined herein) and so the work to be done pursuant to the TIGER GRANT has been defined herein as PHASE 1A (as defined herein); and

WHEREAS, the CITY, DDA and BROWARD MPO have agreed to participate in the capital funding for the WAVE MODERN STREETCAR, as addressed herein; and

WHEREAS, the DDA has committed to support all PARTNER efforts to fund capital and operating costs of the WAVE MODERN STREETCAR (as more particularly described herein) with the public, business community, and local, regional, state, and federal levels of government; and

WHEREAS, the PARTNERS agree the COUNTY should be the OWNER and OPERATOR of the WAVE MODERN STREETCAR; and

WHEREAS, COUNTY has agreed to become the OWNER and OPERATOR of the WAVE MODERN STREETCAR subject to the conditions stated herein; and

WHEREAS, SFRTA has previous experience planning transit projects following FTA requirements and has successfully completed and obtained FTA approval for the WAVE MODERN STREETCAR Alternative Analysis and Environmental Assessment and received a Finding of No Significant Impact from the FTA, as well as prepared a successful TIGER GRANT APPLICATION for the PROJECT; and

WHEREAS, SFRTA has previous experience as a SPONSOR (as defined herein) has entered into a previous Full Funding Grant Agreement

with the FTA, has successfully completed the design and construction of a major FTA steel-wheel transit project in South Florida, is a regional operator of Tri-Rail Commuter Rail Passenger Service, and is a FTA Designated Recipient ("DR") for FEDERAL GRANTS; and

WHEREAS, the PARTNERS agree SFRTA should be the SPONSOR and IMPLEMENTOR (as both terms are defined herein) for the WAVE MODERN STREETCAR and SFRTA has agreed to act as both, subject to the conditions stated herein.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the PARTNERS agree as follows:

1. RECITALS. The truth and accuracy of each of the Recitals set forth above are acknowledged by the PARTNERS and, along with the exhibits attached to this Agreement, are incorporated herein by reference.

2. DEFINITIONS

2.1. ASSESSMENT shall mean a properly apportioned amount of a special assessment levied upon real property deemed to have received a special benefit from the Construction of the WAVE MODERN STREETCAR.

2.2. CAPITAL FUNDS shall mean the respective Federal, State and Local shares of the capital costs (both "hard" and "soft" costs) that will be committed by the

PARTNERS, excluding COUNTY and SFRTA, to the PROJECT, as provided for in this Agreement.

2.3. CAPITAL COST OVERRUN shall mean any and all capital costs (both "hard" and "soft" costs) that exceed those anticipated in the FINANCE PLAN and ultimately agreed to in the FEDERAL GRANT AGREEMENTS.

2.4. CAPITAL STAKEHOLDERS shall collectively mean FTA and FDOT, both of which have allocated CAPITAL FUNDS for the PROJECT.

2.5. CONSTRUCTION shall mean to employ and or contract with all persons or entities necessary to complete construction activities associated with the PROJECT.

2.6. DESIGN shall mean professional services, including, but not limited to, architectural; civil, electrical, traffic operations, railroad, mechanical, and electrical engineering, environmental and geotechnical, necessary to complete the design activities associated with the PROJECT.

2.7. FEDERAL GRANTS shall mean any federal grants awarded by FTA for the PROJECT, including, but not limited to, the TIGER and the SMALL STARTS GRANTS.

2.8. FEDERAL GRANT AGREEMENTS shall mean any agreements between SFRTA and the federal government for CAPITAL FUNDS for the PROJECT.

2.9. FINANCE PLAN shall mean the finance plan contained within the SMALL STARTS GRANT APPLICATION (see Exhibit 1), if the SMALL STARTS GRANT (or other equally valued FEDRAL GRANT(S)) is awarded, or, if the SMALL STARTS GRANT (or other equally valued FEDERAL GRANT(S)) is not awarded, it shall be the finance plan contained in the TIGER GRANT APPLICATION (see Exhibit 2). In this context, FINANCE PLAN, is not intended to mean the finance plan contained within COUNTY Resolution 2008-579.

2.10. FLORIDA NEW STARTS TRANSIT PROGRAM ("NSTP") shall mean the State of Florida's primary financial resource for supporting locally planned, implemented, and operated transit "guide way" capital investments implemented in the State of Florida, as specified in Section 341.051, F.S.

2.11. IMPLEMENTOR shall mean SFRTA, which is the PARTNER designated by all of the PARTNERS to carry out the PROJECT.

2.12. OPERATOR shall mean the COUNTY, which will be responsible for day-to-day operations and maintenance of the WAVE MODERN STREETCAR in accordance with all applicable agreements, including but not limited to the FEDERAL GRANTS, and local, COUNTY, State and Federal laws, for twenty (20) years following PROJECT HANDOVER.

2.13. OWNER shall mean the COUNTY, upon PROJECT HANDOVER.

2.14. PARTNERS shall mean, collectively, the DDA, the CITY, the COUNTY, the BROWARD MPO and SFRTA whose roles and responsibilities are addressed herein and may be further defined in future agreements between the PARTNERS.

2.15. PHASE I shall mean the PROJECT as described and defined in the SMALL STARTS GRANT APPLICATION, which includes PLANNING, DESIGN and CONSTRUCTION of the PROJECT through and including PROJECT HANDOVER.

2.16. PHASE 1A shall mean the work as described and defined in the TIGER GRANT APPLICATION, which includes PLANNING, DESIGN and CONSTRUCTION of the PROJECT through and including PROJECT HANDOVER.

2.17. SMALL STARTS GRANT shall mean the grant, if awarded by FTA to the IMPLEMENTOR, that provides for the PLANNING, DESIGN and CONSTRUCTION of PHASE 1.

2.18. SMALL STARTS GRANT AGREEMENT shall mean the agreement entered into between FTA and the IMPLEMENTOR, that provides the terms and conditions for PHASE I of the PROJECT.

2.19. SMALL STARTS GRANT APPLICATION shall mean the application dated June 2012 transmitted to FTA on behalf of the PARTNERS by SFRTA for PHASE 1.

2.20. TIGER GRANT shall mean the grant awarded by FTA, under the Transportation Investment Generating Economic Recovery supplementary discretionary grant program included in the American Recovery and Reinvestment Act of 2009, to SFRTA in June 2012 in the amount of Eighteen Million Dollars ($18,000,000).

2.21. TIGER GRANT AGREEMENT shall mean the agreement between SFRTA and FTA for the TIGER GRANT.

2.22. TIGER GRANT APPLICATION shall mean the application dated March 2012, transmitted to FTA on behalf of the PARTNERS by SFRTA which requested capital funding for PHASE 1A.

2.23. PLANNING shall mean the development of the Alternative Analysis/Environment Assessment (AA/EA), applications for FEDERAL GRANTS, public involvement, grant preparation, conceptual design (commonly referred to as 30% design), and real property acquisition, leases and/or easements, and development of necessary agreements for the PROJECT.

2.24. PROJECT shall mean either (a) the PLANNING, DESIGN and CONSTRUCTION of the entire approximately 2.7 mile WAVE MODERN STREETCAR system, its stations and other related ancillary facilities and the purchase of rolling stock, as more fully described in the SMALL STARTS GRANT APPLICATION, if the SMALL STARTS GRANT, or other equally valued FEDERAL GRANT(S), is awarded, and also referred to herein as PHASE 1; or (b) shall mean the PLANNING, DESIGN and CONSTRUCTION of the approximately 1.42 mile segment of the WAVE MODERN STREETCAR system, its stations and other related ancillary facilities and the purchase of rolling stock, as more fully described in the TIGER GRANT APPLICATION, if the SMALL STARTS GRANT, or other equally valued FEDERAL GRANT(S), is not awarded to fund PHASE 1, and is also referred to herein as PHASE 1A.

2.25. PROJECT HANDOVER is defined to mean the point in time at which the COUNTY assumes responsibility for the operations and maintenance of the WAVE MODERN STREETCAR, pursuant to the terms of this Agreement.

2.26. SPONSOR shall mean SFRTA, the PARTNER that shall be the grantee under all FEDERAL GRANTS and any other Federal funding agreements for the PROJECT. The SPONSOR will also be the recipient of all CAPITAL FUNDS

committed by the PARTNERS and CAPITAL STAKEHOLDERS and is responsible for PLANNING.

2.27. YEAR OF EXPEDITURE DOLLARS shall mean the method of expressing the estimated total cost of completion of the PROJECT, as required by FTA.

2.28. CAPITAL COST OVERRUN shall mean any and all capital costs beyond those anticipated in the FINANCE PLAN.

2.29. CAPITAL COST INCREASES shall mean change orders, additional, incremental or desired features or improvements, which may include BETTERMENTS, that may exceed the PROJECT's capital budget and are caused by a PARTNER request.

2.30. BETTERMENTS shall mean improvements that SFRTA, in its sole discretion, determines to be beyond those required to implement the PROJECT.

2.31. WAVE MODERN STREETCAR shall mean the approximately 2.7 mile streetcar system approved by the CITY in Resolution No. 08-71, which endorsed the WAVE MODERN STREETCAR, recommended route E-1 as the CITY's preferred route and technology; and approved by the COUNTY in Resolution 2008-579, which supported the WAVE MODERN STREETCAR, adopted route E-1 as the COUNTY's preferred route and technology or the LPA; which is more particularly described in the SMALL STARTS GRANT APPLICATION, or, if Phase 1A is constructed and implemented, it shall mean the system as defined in the TIGER GRANT APPLICATION.

Failure to capitalize a defined term herein shall not change its meaning, as defined in this Agreement. There are also additional defined terms in this Agreement that are not contained within Section 2.

3. PURPOSE OF AGREEMENT

The purpose and intent of this Agreement is to outline the roles, responsibilities, and allocated funding for development and operation of the WAVE MODERN STREETCAR and to provide a means by which PARTNERs may express their opinions and/or concerns regarding the development of the PROJECT.

4. WAVE MODERN STREETCAR DESCRIPTION

The WAVE MODERN STREETCAR is a modern streetcar system proposed for the urban core of the City of Fort Lauderdale, the "downtown" of Broward County as more fully described in the SMALL STARTS GRANT APPLICATION. Starting from Northwest 6th Street, with the northern anchor at the Broward County Downtown Transfer Facility, the streetcars will connect the major employment centers and primary activity centers and terminate near Broward General Medical Center to the south at Southeast 17th Street. The system is approximately 2.7 miles in length, will be served by 10 stations and use four street cars, unless only Phase 1A is constructed and implemented, and then it will be the system described in the TIGER GRANT APPLICATION.

5. INTERGOVERNMENTAL COORDINATION AND COOPERATION

The PARTNERS recognize the need for cooperation to expedite development of the PROJECT. The PARTNERS agree to coordinate their participation in the PROJECT Implementation through a designated representative appointed by each PARTNER.

5.1. DESIGNATED PARTNER REPRESENTATIVES

The PARTNERS shall each designate a representative ("Designated Partner Representative") authorized to:

5.1.1. Coordinate the use of the PARTNER staff assigned, and the resources allocated to, the PROJECT.

5.1.2. Communicate on behalf of their respective PARTNER with other Designated Partner Representatives.

5.1.3. Serve as the central point of contact for their respective PARTNER with regards to the PROJECT.

Designated Partner Representatives are not authorized to amend this Agreement and cannot bind their respective PARTNER to terms not specifically agreed to by the PARTNERS pursuant to this Agreement or other agreements, as may be required by the PROJECT.

5.2. CHANGES IN DESIGNATED REPRESENTATIVE

PARTNERS reserve the right to change their respective Designated Partner Representatives, with written notice to the other PARTNERS, at any time. An updated list of Designated Partner Representatives shall be created by the IMPLEMENTOR whenever any Designated Partner Representative is changed.

5.3. PROJECT HANDOVER

PROJECT HANDOVER is defined to mean the procedure by which the PROJECT is tested, inspected, and evaluated by the Independent Expert (as defined herein) and, if determined to meet the Acceptance Criteria (as defined herein), transferred to the COUNTY who shall then assume the responsibility for the operations and maintenance in compliance with the terms of this Agreement and the FEDERAL GRANTS, as the OWNER and OPERATOR. The process for PROJECT HANDOVER shall be a follows:

5.3.1. The COUNTY and SFRTA shall jointly and in good faith, select and hire an independent expert which shall be either (i) a firm who shall provide licensed professional engineers to perform the work described in this Section each with at least ten (10) years of previous experience working on federally-funded transit projects or (ii) a person(s) who is a licensed professional engineer with at least ten (10) years of previous experience working on federally-funded transit projects, and shall be qualified to test, inspect, and evaluate the

PROJECT for the purposes of making a determination as to whether the PROJECT meets the Acceptance Criteria (as defined herein) (the "Independent Expert"). The COUNTY and SFRTA shall each bear one half of the expenses and costs of the Independent Expert. The procurement shall be conducted by SFRTA with COUNTY input in the solicitation documents, pursuant to SFRTA's Procurement Policy, but the SFRTA and COUNTY shall each have the same number of representatives on the evaluation and selection committee, each entity shall participate in contract negotiations and each entity shall be required to approve and execute the resulting contract with the Independent Expert.

5.3.2. The COUNTY and SFRTA agree to initiate procurement of the Independent Expert no later than nine (9) to twelve (12) months prior to PROJECT Substantial Completion (as defined in the applicable PROJECT CONSTRUCTION contract) so that the notice to proceed can be issued to the Independent Expert (the "Notice to Proceed") no later than three (3) months prior to the then-anticipated PROJECT Substantial Completion.

5.3.3. The COUNTY and SFRTA shall jointly prepare and issue the Notice to Proceed to the Independent Expert instructing the Independent Expert to become familiar with the PROJECT and, once PROJECT

Substantial Completion has been obtained, to commence the testing, evaluation, and inspection of the PROJECT to determine whether Final Acceptance (as defined in the applicable PROJECT CONSTRUCTION contract) should be issued. The Notice to Proceed shall include reasonable timeframes for the Independent Expert to perform such testing, evaluation and inspection and to prepare a written report. The Independent Expert's written report shall summarize its conclusions as to whether the Acceptance Criteria have been satisfied and if Final Acceptance should be issued and if not, what needs to be accomplished in order for the Independent Expert to recommend that Final Acceptance be issued (the "Report"). The determination of whether Final Acceptance should be issued requires a determination by the Independent Engineer that the PROJECT: (i) has been constructed in accordance with the approved PROJECT Plans and Specifications; (ii) is free from material defects; and (iii) has received all of the required federal and state permits necessary for operation of the WAVE MODERN STREETCAR, if applicable. A determination by the Independent Expert that the criteria in (i), (ii), and (iii) above (the "Acceptance Criteria") have not been satisfied, shall warrant a recommendation that Final Acceptance for the PROJECT should not be issued and conversely, a

determination that the Acceptance Criteria have been satisfied shall warrant a recommendation that Final Acceptance for the PROJECT shall be issued.

5.3.4. The findings of the Independent Expert shall be binding on the COUNTY and SFRTA.

5.3.5. Beginning no later than PROJECT Substantial Completion, the COUNTY shall make all good faith efforts to work diligently and expeditiously to determine that it is receiving good title to all property required to be transferred to the COUNTY by this Agreement, including but not limited to obtaining title commitments and addressing exceptions, free from any liens, claims of liens or other encumbrances ("Good Title").

5.3.6. If the Independent Expert recommends Final Acceptance be issued for the PROJECT, the COUNTY shall make all good faith efforts to diligently and expeditiously finalize any title issues which remain and to close on all property required to be transferred to the COUNTY by this Agreement no later than sixty (60) days following the date of the Report recommending Final Acceptance. PROJECT HANDOVER shall be deemed to have occurred on the date the COUNTY notifies SFRTA in writing that it has determined it is receiving Good Title. Closing shall occur no later than thirty (30) days

thereafter and at that time the COUNTY shall become the OWNER and OPERATOR and shall assume the operations and maintenance obligations of the WAVE MODERN STREETCAR, pursuant to the terms of this Agreement and shall initiate revenue service consistent with the terms of the FEDERAL GRANTS. Revenue service of the WAVE MODERN STREETCAR shall be commenced by the COUNTY no later than six (6) months following PROJECT HANDOVER or the Revenue Operations Date ("ROD") in the FEDERAL GRANTS, whichever is sooner.

5.3.7. If the Independent Expert finds that the PROJECT fails to meet the Acceptance Criteria, the Independent Expert shall provide a detailed statement in the Report describing the conditions which caused the failure to meet the Acceptance Criteria and recommendations for satisfying the Acceptance Criteria. Notwithstanding any such determination, the COUNTY shall still continue to make all good faith efforts to diligently and expeditiously determine if it is receiving Good Title.

5.3.8. The COUNTY and SFRTA shall jointly, expeditiously, and in good faith, attempt to resolve the issues resulting in the failure to meet the Acceptance Criteria. The COUNTY shall not be required to assume the operations and maintenance of the WAVE MODERN

STREETCAR until the Independent Expert has concluded that the Acceptance Criteria have been met and recommends issuance of Final Acceptance for the PROJECT.

5.3.9. If the COUNTY and SFRTA cannot resolve the issues resulting in the failure to meet the Acceptance Criteria, SFRTA shall use its best efforts to identify a resolution and, if necessary, the DDA shall use its best efforts to obtain additional funding in order for the PROJECT to meet the Acceptance Criteria, as determined by the Independent Expert, and be issued Final Acceptance.

5.3.10. The occurrence of PROJECT HANDOVER also represents an acknowledgement by the COUNTY that it has accepted title and responsibility for, and has the authority to perform: (a) the WAVE MODERN STREETCAR operation and maintenance, fare collection, and financial reporting, and (b) compliance with such portions of the FEDERAL GRANTS which relate to the specific obligations of the COUNTY, including, but not limited to, cooperating with the SPONSOR to address FEDERAL GRANT requirements post-PROJECT HANDOVER, including but not limited to the preparation of the Before and After Study.

5.3.11. COUNTY shall have no responsibility or liability for acts or claims that arose or occurred prior to PROJECT HANDOVER.

5.3.12. COUNTY shall be a third party beneficiary for any warranties issued for the PROJECT.

5.3.13. SFRTA shall include language in any Design or Construction contracts for the PROJECT that the applicable consultant or contractor acknowledges and agrees that any claims against the consultant or contractor, which may arise during the operation and maintenance of the WAVE MODERN STREETCAR, may be brought against the consultant or the contractor by either SFRTA or the COUNTY.

5.4. Additional Agreements.

The PARTNERS agree to enter into additional agreements, as may be necessary, between the PARTNERS or with the CAPITAL STAKEHOLDERS, to effectuate the terms of this Agreement.

6. PROJECT FUNDING FOR CAPITAL COSTS

The proposed PROJECT funding for Phase I is as specified in Exhibit 1, and the proposed PROJECT funding for PHASE 1A is specified in Exhibit 2. The COUNTY agrees to fund the WAVE MODERN STREETCAR's operations and maintenance needs for twenty (20) years following PROJECT HANDOVER, subject to the PROJECT having received all of the expected capital grants and funding necessary to complete the PROJECT, and the occurrence of PROJECT HANDOVER. The COUNTY and SFRTA shall have no obligation to fund the costs of any capital improvements associated with the PROJECT. The PARTNERS recognize and acknowledge that reimbursement for the PROJECT costs from FEDERAL GRANTS is contingent upon SFRTA's receipt of Local Funds.

6.1 FEDERAL FUNDS

The PARTNERS acknowledge and agree that SFRTA has obtained the TIGER GRANT that allows Phase 1A to be completed and implemented. The PARTNERS also acknowledge and agree that it is highly desirable and more efficient to construct the entire PROJECT, i.e. PHASE 1A and PHASE 1. SFRTA will enter into agreements for the FEDERAL GRANTS as described below:

6.1.1. Consistent with the FINANCE PLAN, SFRTA, as SPONSOR, will seek funding for the PROJECT from FTA pursuant to the 49 U.S.C 5309 Capital Investment Grant Program ("Section 5309 Capital Investment

Grant Program"), for fifty percent (50%) of the capital funding for the PROJECT.

6.1.2. SFRTA agrees to fully explore and pursue all reasonably feasible federal funding options and opportunities to obtain all or a portion of required federal funds identified in the FINANCE PLAN.

6.1.3. PARTNERS acknowledge FTA's award of the TIGER Grant to SFRTA has resulted in partial capital funding that will allow for Phase 1A to be completed and implemented.

6.1.4. SFRTA and the PARTNERS acknowledge and agree that SFRTA will continue to pursue federal funding for implementation of Phase I as long as the schedule for the PROJECT is not impacted since all PARTNERS recognize that full implementation of the PROJECT, i.e. PHASE 1, is desirable and that significant cost savings should accrue to the benefit of the PARTNERS providing Capital Funds.

6.2. STATE FUNDS

The PARTNERS acknowledge and agree that the ability to proceed with the PROJECT is contingent upon FDOT providing CAPITAL FUNDS as described below:

6.2.1. For PHASE 1 and PHASE 1A, FDOT has allocated funding from the FLORIDA NEW STARTS TRANSIT PROGRAM ("NSTP") administered by FDOT. The NSTP may fund up to fifty percent (50%) of a project, not

to exceed the local share, through a dollar-for-dollar match of the local share of the project cost for transit fixed guide-way projects that qualify under the FTA New Starts Program and are consistent with the FINANCE PLAN. It is anticipated that FDOT will fund up to twenty-five percent (25%) of PHASE I, not to exceed the local share (see Exhibit 1) and up to thirty-nine percent (39%) of PHASE 1A, not to exceed the Local share, where "Local" shall be defined to mean non-federal and non-state capital dollars for the PROJECT.

6.2.2. FDOT shall have no obligation to fund operations and maintenance costs for the WAVE MODERN STREETCAR.

6.3. LOCAL FUNDS.

The CITY agrees to provide a total amount of CAPITAL FUNDS for PHASE 1 of Thirty One Million, Ninety Thousand Dollars ($31,090,000) or Twenty Four Million Four Hundred and Sixty Thousand Dollars ($24,460,000) for PHASE 1A ("CITY's CAPITAL FUNDS") which shall be comprised as follows:

6.3.1. Ten Million Five Hundred Thousand Dollars ($10,500,000) or an equivalent combination of capital contribution; payable by in-kind services, real or personal property, cash or any other means as mutually agreed to by the CITY and SPONSOR (the "CASH AMOUNT"). Land in lieu of cash must meet all applicable State and Federal requirements and specific requirements

of all funding grants and agreements specific to the PROJECT, with the FTA Federal process to be utilized to determine the appraised value of the land. All land and other agreements, as necessary to effectuate the terms of this Agreement, will be between the SPONSOR and CITY to meet FTA requirements, but all real property necessary for the COUNTY to operate and maintain the WAVE MODERN STREETCAR will be transferred to the COUNTY, as OWNER and OPERATOR, at the time of PROJECT HANDOVER.

6.3.1.1. The CITY agrees to transfer to SFRTA One Million One Hundred Thousand Dollars ($1,100,000) of the CASH AMOUNT within three (3) months of the signing of this Agreement.

6.3.1.2. The CITY agrees to transfer to SFRTA the remainder of the CASH AMOUNT no later than June 30, 2014.

6.3.2. The CITY shall use an ASSESSMENT process to raise an additional Twenty Million, Five Hundred and Ninety Thousand Dollars ($20,590,000) or Thirteen Million, Nine Hundred and Sixty Thousand Dollars ($13,960,000), if only PHASE 1A is implemented, from the net proceeds of a bond issue (the "ASSESSMENT AMOUNT"), as a portion of the CITY's CAPITAL FUNDS. The CITY will transmit to SFRTA the entire ASSESSMENT AMOUNT by December 31, 2013. The CITY agrees to issue bonds payable

solely from the ASSESSMENT to provide for the CAPITAL FUNDS for the PROJECT, as a prerequisite to the execution by SPONSOR of the FEDERAL GRANT AGREEMENTS.

6.3.3. CITY shall have no obligation to fund the operations and maintenance costs for the WAVE MODERN STREETCAR.

6.3.4. CITY shall budget a minimum of One Million One Hundred Thousand Dollars ($1,100,000) in CITY's Budget for the fiscal year commencing on October 1, 2012, and ending September 30, 2013 and Four Hundred Thousand Dollars ($400,000) in the following fiscal year.

6.3.5. The BROWARD MPO has programmed Eight Million One Hundred and Forty Thousand Dollars ($8,140,000) consistent with the PHASE 1A FINANCE PLAN or Four Million Six Hundred and Forty Thousand Dollars ($4,640,000) consistent with the PHASE 1 FINANCE PLAN, in the 12/13 State Fiscal Year ("BROWARD MPO CAPITAL FUNDS").

6.3.6. To satisfy both state and federal local matching requirements, the BROWARD MPO CAPITAL FUNDS, which are considered Federal for State matching purposes, must be "exchanged" with another PARTNER's eligible capital dollars. The BROWARD MPO will use its best efforts to expeditiously "exchange" the BROWARD MPO CAPITAL FUNDS with Local dollars on another eligible capital project to use those replaced Local dollars, equaling the same amount as the BROWARD MPO CAPITAL FUNDS, towards the

PROJECT. No later than December 31, 2013, the BROWARD MPO shall provide SFRTA with the BROWARD MPO CAPITAL FUNDS equaling $4,640,000, if PHASE 1 is to be implemented, or the total amount of the BROWARD MPO CAPITAL FUNDS, if only PHASE 1A is to be implemented. If the applicable amount of BROWARD MPO CAPITAL FUNDS are not "exchanged" at the same time, the BROWARD MPO agrees to provide SFRTA with any portion of same as it becomes available.

7. FUNDING FOR OPERATION AND MAINTENANCE COSTS

Upon PROJECT HANDOVER, the COUNTY shall be solely responsible for all operational and maintenance costs of the WAVE MODERN STREETCAR for twenty (20) years.

1. CAPITAL FUNDS MANAGEMENT

1.1. SFRTA, acting as SPONSOR, will receive all CAPITAL FUNDS provided by PARTNERS and CAPITAL STAKEHOLDERS, as described herein, and will have sole responsibility for payments associated with the capital costs of the PROJECT consistent with the FEDERAL GRANT AGREEMENTS and this Agreement. All PARTNERS responsible for contributing CAPITAL FUNDS agree to enter into future agreements, as may be required by SFRTA, to transfer their respective CAPITAL FUNDS to SFRTA for the sole purpose of funding the capital costs of the PROJECT in a timely fashion and as provided for in this Agreement. Funding by FDOT will be contingent upon the

PARTNERS adopting this Agreement and upon execution of a Joint Participation Agreement ("JPA") between FDOT and SFRTA, setting forth the required terms and conditions of the FDOT Capital Funds for the PROJECT as outlined in Section 6.2 of this Agreement.

1.2. SFRTA agrees to set up accounting methods necessary to track all revenues and expenditures specific to the PROJECT and will provide a clear accounting of all Capital Funds received, expended and available throughout the life of the FEDERAL GRANT AGREEMENTS, as required by the FTA, except for those responsibilities assumed by the COUNTY after PROJECT HANDOVER, pursuant to the terms of this Agreement. SFRTA will prepare quarterly financial reports for the PARTNERS until PROJECT HANDOVER occurs.

1.3. SFRTA shall be reimbursed in an amount not to exceed ten percent (10%) of all Federal Funds for which SFRTA acts as the FTA Designated Recipient ("DR"), regardless of the type of funding agreement (the "Administrative Fee"). The Administrative Fee will defray SFRTA's costs associated with SFRTA's role in development of the PROJECT, including, but not limited to, acting as the SPONSOR, IMPLEMENTOR and DR. SFRTA, to the extent allowed by FTA, may enter into third-party agreements for PROJECT services and support that may be eligible for reimbursement from the Administrative Fee. SFRTA shall provide the "cash float" necessary between payment of invoices and

reimbursement by FDOT and FTA of the FEDERAL GRANT funds during the PROJECT.

1.4.

At some time following PROJECT HANDOVER, SFRTA shall, pursuant to the requirements of the FEDERAL GRANT AGREEMENTS, the JPA, any capital funding agreements entered into with the PARTNERS ("Applicable Agreements") and any applicable accounting requirements and principles, determine if there are any CAPITAL FUNDS remaining after all of its obligations under the Applicable Agreements have been satisfied. Should there be any remaining CAPITAL FUNDS, SFRTA shall return such monies to the PARTNERS or CAPITAL STAKEHOLDERS pursuant to the terms of the Applicable Agreements.

1.5.

The PROJECT capital budget includes the cost of utility relocation and these costs will be handled like all other PROJECT capital costs. The PARTNERS agree to utilize their best efforts to minimize any schedule impacts and shall require utilities within their rights of way to be moved at no cost to the PROJECT, when that option is legally available to the CITY, COUNTY and STATE.

9 FINANCE PLAN CHANGES

PARTNERS acknowledge and recognize that changes to the FINANCE PLAN may be required as either scope or available funds for the PROJECT change.

10 CAPITAL COST OVERRUNS

10.1 The intent of all PARTNERS is that the PROJECT shall be constructed within the identified and agreed upon capital budget with no CAPITAL COST OVERRUNS beyond those handled through the approved capital budget contingencies. The PARTNERS agree the IMPLEMENTOR shall have authority to change the scope of the PROJECT, consistent with the FEDERAL GRANT requirements, to save and reduce costs to maintain the approved capital budget. SFRTA will make all reasonable efforts and use best practices to avoid exceeding the applicable PROJECT capital budget, as identified in Exhibits 1 and 2. SFRTA is responsible for ensuring that the capital budget is maintained through PROJECT HANDOVER and will make all reasonable efforts to that affect. Any CAPITAL COST INCREASES may be considered by IMPLEMENTOR only if the requesting PARTNER is willing to pay all associated costs.

10.2 BETTERMENTS that impact the CONSTRUCTION schedule may be rejected by SFRTA, even if the requesting PARTNER is willing to pay incremental costs plus schedule induced costs. Under no circumstances are PARTNER-requested BETTERMENTS considered CAPITAL COST OVERRUNS.

10.3 Notwithstanding anything in this Agreement to the contrary, in the event the COUNTY determines that approval or denial of a proposed Project Budget Change or Project Change Order (collectively referred to herein as a "Change

Order") would increase the annual costs of the COUNTY's operation and maintenance obligations pursuant to this Agreement of approximately Two Million Five Hundred Thousand Dollars ($2,500,000) ("COUNTY Annual Operating Commitment"), by an amount equal to or exceeding five percent (5%) or One Hundred and Twenty-Five Thousand Dollars ($125,000) per year (the "Threshold Amount"), SFRTA and the COUNTY agree to implement the following procedures with respect to the Change Order:

10.3.1 COUNTY shall be required, no later than fifteen (15) days after receipt of a Change Order from SFRTA, to advise SFRTA, in writing, as to whether or not the COUNTY has a good faith, reasonable belief that the Change Order may or may not increase the COUNTY's annual operation and maintenance obligations by an amount equal to or greater than the Threshold Amount (the "Statement").

10.3.2 If the COUNTY informs SFRTA, in the Statement, that it believes the Change Order will increase its annual operation and maintenance obligations by an amount equal to or greater than the Threshold Amount, then no later than ten (10) days after SFRTA's receipt of the Statement, the COUNTY and SFRTA will attempt, in good faith, to resolve the dispute or claim arising from the Change Order through negotiations between the SFRTA Executive Director and the Director of the Broward County Mass Transit Department. If the COUNTY and SFRTA cannot amicably settle

the disputed Change Order within thirty (30) days after SFRTA receives the Statement, the remaining provisions of Section 10.3 of this Agreement shall apply, unless this time is extended by mutual agreement between SFRTA and COUNTY.

10.3.3 SFRTA may proceed with the denial or the approval and implementation of the Change Order, subject to the rights of the COUNTY as provided herein. In the case where exigent circumstances or financial hardships will occur if the process and associated time periods in Subsections 10.3.1 and 10.3.2 are observed prior to Change Order denial or approval, as reasonably determined by SFRTA, SFRTA may take action to deny or approve and execute the Change Order, but notwithstanding, the process and associated timeframes in Subsections 10.3.1 and 10.3.2 shall still be observed by SFRTA and the COUNTY after the Change Order has been denied or approved and executed.

10.3.4 COUNTY shall preserve its right to dispute, in its entirety, the Change Order by submitting a written Notice of Claim to SFRTA within sixty (60) days of the failure of the COUNTY and SFRTA to resolve the disputed Change Order, as provide in Subsection 10.3.2_above. The Notice of Claim shall include a detailed written statement describing the nature of the COUNTY's dispute, and a cost analysis of the financial impact of the Change Order on the COUNTY's maintenance and

operations obligations equal to or in excess of the Threshold Amount, as required by this Agreement. Failure by the COUNTY to file the Notice of Claim within the sixty (60) days provided herein, shall constitute an automatic waiver of the COUNTY's rights to pursue said Claim.

10.3.5 The COUNTY and SFRTA agree to commence a binding "Dispute Resolution Process" as described below, with respect to any timely Notice of Claim, no later than sixty (60) days after issuance of the Report. SFRTA shall have no obligation to participate in the Dispute Resolution Process prior to the issuance of the Report.

10.4 After the issuance of the Report, the COUNTY may initiate the Dispute Resolution Process for any timely Notice of Claim previously filed by the COUNTY, as provided in Subsections 10.3.1 through 10.3.5 above. Initiation of the Dispute Resolution Process for a Notice of Claim(s) shall be made by the COUNTY in writing to SFRTA in which the COUNTY shall provide SFRTA with a written notice of its desire to initiate the Dispute Resolution Process, a list of the applicable Notice(s) of Claim and the designation of the COUNTY's proposed Arbitrator ("Notice of DRP"). SFRTA shall be under no obligation to enter into any Dispute Resolution Process, as described herein, and shall have no liability thereunder, for any COUNTY Notice of DRP received more than ninety (90) days following the issuance of the Report. If the Notice of DRP is timely filed, SFTRA shall designate its arbitrator within fifteen (15) days after receipt of the Notice of

DRP and shall inform the COUNTY in writing of its selection of arbitrator ("SFRTA's Notice of Selection"). The two arbitrators so selected will agree upon a third arbitrator within fifteen (15) days following the COUNTY's receipt of SFRTA's Notice of Selection. If the arbitrators selected by each party cannot agree upon a third arbitrator within the stated time period, they will request the Regional Director of the AAA to designate a third arbitrator. The arbitration panel comprised of the three (3) arbitrators (the "Panel") may agree, upon unanimous consent, to modifications or exceptions from the Arbitration Rules of the American Arbitration Association ("AAA") as the Panel deems appropriate. The decision of the Panel shall be in writing and will include written findings of fact, to the extent the arbitration required the resolution of any factual disputes.

The COUNTY agrees that, if it has filed multiple Notices of Claims during the PROJECT, the Panel shall hear all such Claims, whether they are consolidated or not. The parties agree to make good faith efforts to consolidate all such Claims filed to avoid unnecessary costs and duplicity, unless SFRTA and the COUNTY mutually agree otherwise.

The process to arbitrate disputes, as provided in Section 10.3 of this Agreement, is specifically enforceable in any court having jurisdiction over this Agreement. No individual who is, or has at any time been, an officer, employee or consultant of either party will be an arbitrator without the express written consent of both

COUNTY and SFRTA. All arbitration proceedings shall occur in Broward County, Florida.

10.5 Both SFRTA and the COUNTY will produce all records which the arbitrators request. SFRTA and the COUNTY will each pay one half the cost of the arbitration. The decision of the Dispute Resolution Process shall be binding upon the COUNTY and SFRTA.

10.6 In the event the arbitrators find that SFRTA's approval and execution or denial of the Change Order did not impact the COUNTY's annual operating and maintenance costs by at least the Threshold Amount, the COUNTY shall not be entitled to any financial relief as a consequence of the Change Order. In the event the arbitrators find that SFRTA's approval and execution or denial of the Change Order increased the COUNTY's annual operating and maintenance expenses by at least the Threshold Amount, the DDA shall be obligated to identify and obtain funding to compensate the COUNTY for the annual increase in the operating and maintenance costs associated with the respective Change Order in excess of the Threshold Amount.

10.7 In the event that a CAPITAL COST OVERRUN cannot be avoided despite the best efforts of the PARTNERS pursuant to terms of this AGREEMENT, the DDA shall be responsible to identify and locate available funding necessary to meet CAPITAL COST OVERRUN needs of the PROJECT. In no case shall the

COUNTY, CITY or FDOT participate in CAPITAL COSTS OVERRUNS, unless otherwise approved by each of them, i.e. the Broward County Commission, CITY Commission and FDOT authorized representative, respectively.

10.8 SFRTA has the authority under this Agreement, and is empowered by the PARTNERS, to make scope and other changes, in consultation with the PARTNERS, that it deems necessary to ensure the PROJECT capital budget is not exceeded.

11 PARTNER COORDINATION

11.1 SFRTA will retain the services of Project Management Consultants team ("PMC") to manage the PROJECT through PROJECT HANDOVER and perform any Before and After Studies, or any other post-PROJECT HANDOVER activities which SFRTA is required to perform pursuant to the terms of the FEDERAL GRANT AGREEMENTS. The PMC will report to the SFRTA Project Manager.

11.2 SFRTA shall be responsible for the preparation of all PROJECT Solicitation Documents and Contracts, as those terms are defined in SFRTA's Procurement Policy, and shall have final decision-making authority with respect to same as the IMPLEMENTOR, except as related to the Independent Expert which is addressed in Section 5.3 of this Agreement. SFRTA will accept input from the COUNTY on the PROJECT Solicitation Documents which is provided in a timely manner, but shall not be obligated to make any changes to said documents as a result of such input.

11.3 TECHNICAL ADVISORY GROUP (TAG)

The SFRTA, COUNTY, FDOT, BROWARD MPO, CITY and DDA will form a Technical Advisory Group ("TAG"), with one Designated Representative from each PARTNER, each with one vote, that will work with the SFRTA to oversee and review PROJECT changes through Design, Construction, testing, and PROJECT HANDOVER.

1.1. SFRTA, through its PMC, and in coordination with the PARTNERS, will be responsible for the implementation of the PROJECT and lead the TAG. The PMC will report directly to the SFRTA Project Manager appointed by SFRTA. The TAG will coordinate its activities with the SFRTA Project Manager. The SFRTA Project Manager, through the PMC, will direct the day-to-day needs of the PROJECT and SFRTA shall contract for, and manage, the PROJECT. SFRTA Project Manager will provide the primary interface with the FTA for completion of the PROJECT.

1.2. SFRTA will provide progress plans and monthly meeting PROJECT updates to the TAG, as necessary. Specifically, the TAG will review PROJECT control oversight procedures, review final reports, participate in inspection and testing, comment and review Designs, third party approvals, review substantial completion punch list walk through items, review safety and security certifications and address Final Acceptance.

11.6 The TAG also provides input on proposed change orders related to Design and Construction that may conflict with Design criteria, schedule, and safety, or that may negatively impact budget, future operations, and maintenance. The TAG shall make recommendations to SFRTA Project Manager and the SFRTA Change Order Committee ("COC"), when change orders are sent to the COC for approval. This process shall be independent of the COUNTY review of Change Orders, pursuant to Section 10 of this Agreement.

11.7 The COUNTY, as the future OWNER and OPERATOR will have inspection rights at any time during regular business hours with proper coordination with SFRTA. The COUNTY shall be entitled to participate in pre-construction activities and review of Construction and PROJECT work plans. The COUNTY shall be notified by SFRTA of all PROJECT systems factory testing, local field tests and integration testing. The COUNTY shall be afforded the opportunity to monitor and test components and systems related to train operations and maintenance of trains and property. However, nothing herein is intended to change the procedure for determining if PROJECT HANDOVER shall occur.

2. GRANTEE

2.1. SFRTA will submit the SMALL STARTS GRANT APPLICATION to FTA, and apply for any other FEDERAL GRANTS required to receive any appropriated

funding for the PROJECT. SFRTA will prepare and submit to FTA in a timely manner all necessary documents at its expense.

2.2. SFRTA will submit the application to FDOT District 4 for the NSTP for the PROJECT. The BROWARD MPO agrees to provide all possible assistance to support the PROJECT, as may be requested by FDOT or SFRTA.

2.3. SFRTA, as SPONSOR, shall coordinate all PROJECT management activities and shall be the primary point of contact for the FTA, the FTA-appointed Project Management Oversight Consultant, FDOT and other federal, State and local agencies regarding the PROJECT.

3. CONTRACTING FOR SERVICES

PARTNERS shall have right to review and comment on all contracts in excess of One Million Dollars ($1,000,000), except where the contract is in the form of a Change Order and then the comments shall be provided through the TAG, as addressed herein, or as provided in Section 10 of this Agreement. SFRTA shall be responsible for the competitive selection, award and administration of all of the professional(s) agreements to perform all consultant services and Construction contracts it deems necessary to complete the PROJECT, which shall be done according to SFRTA's Procurement Policy. The only exception to this is retention of the Independent Expert which shall be selected as described in this Agreement. Designated Partner Representatives shall serve on SFRTA's Evaluation and

Selection Committees for the PROJECT procurements. Any unsolicited proposals to Design, Construct, finance and/ or operate the WAVE MODERN STREETCAR, will utilize the SFRTA Unsolicited Proposal Policy and the process described therein, which includes a fee due at submittal.

14 CONTRACTING FOR OPERATING AND MAINTENANCE SERVICES

The COUNTY shall be responsible for the competitive selection and administration of all agreements for the operations and maintenance of the WAVE STREETCAR SYSTEM after PROJECT HANDOVER, which shall be made using the COUNTY'S Procurement Code.

15 PERMIT AND ENFORCEMENT AUTHORITY

PARTNERS shall, to the extent legally permitted, use their best efforts to expedite any and all permits for the PROJECT.

16 PROPERTY DEDICATION

Property dedication shall meet all applicable State and Federal requirements and the specific requirements of any funding grants and agreements specific to the PROJECT. The FTA Federal process will determine the land value.

17 TIMING OF PAYMENTS

Timing of payments will be consistent with the provisions herein and all applicable funding agreements. SFRTA will develop the accounting system for the PROJECT's collections and disbursements, in accordance with FTA requirements. The procedures will include the indirect cost allocation plan for the CITY and DDA in accordance with the U.S. Office of Management and Budget Circular A-87. The PROJECT Management Plan will further define the proposed accounting system based on the PROJECT budget, schedule and cash flow.

18. DEFAULT, LIABILITY AND SOVEREIGN IMMUNITY

Should SFRTA be found in default of any FEDERAL GRANT AGREEMENT and subject to the remedies set forth in the applicable FEDERAL GRANT AGREEMENT for the failure of any of the PARTNERS to meet their performance and/or funding commitments, SFRTA shall have the following remedies in addition to any other remedies provided at law or equity:

18.1. DEFAULT OF CAPITAL FUNDING COMMITMENT

In the event SFRTA is found to be in default of any FEDERAL GRANT AGREEMENT because of its inability to complete the PROJECT due to a failure of one of the PARTNERS to meet its capital funding commitment (the "Defaulting PARTNER"), SFRTA shall have all remedies at law and equity, as limited by Section 18.2 of this Agreement, including the right to specific performance against the

Defaulting PARTNER. The PARTNERS recognize that in the event of a default of any FEDERAL GRANT AGREEMENT, the federal government may demand all Federal funds provided to SFRTA for the PROJECT be returned to the federal government and such funds shall be considered damages recoverable by SFRTA from the Defaulting PARTNER.

If FDOT, the CITY, or both, also seek the return of CAPITAL FUNDS provided for the PROJECT from SFRTA, such funds shall also be considered damages recoverable by SFRTA from the Defaulting PARTNER.

18.2. DEFAULT OF OPERATING FUNDING COMMITMENT

A default by the COUNTY of its obligation to operate and maintain the WAVE MODERN STREETCAR pursuant to the terms of this Agreement could result in SFRTA being found in default of any FEDERAL GRANT AGREEMENTS and subject to the remedies set forth in any of the FEDERAL GRANT AGREEMENTS. In the event SFRTA is found to be in default of any FEDERAL GRANT AGREEMENTS as a result of a COUNTY default or notified by the federal government that it shall be found in default of any FEDERAL GRANT AGREEMENT as a result of the COUNTY's failure to operate the WAVE MODERN STREETCAR, SFRTA shall have all remedies at law, including but not limited to, damages for repayment of the FEDERAL GRANTS and the COUNTY Annual Operating Commitment, and the right to assume the role of OPERATOR of the WAVE MODERN STREETCAR to

minimize its liability under any FEDERAL GRANT AGREEMENT. SFRTA's role as OPERATOR under the stated circumstances shall not preclude SFRTA from seeking monetary damages from the COUNTY for any monies relating to the COUNTY's failure to operate the WAVE MODERN STREETCAR, including but not limited to, the COUNTY Annual Operating Commitment. Should SFRTA become the OPERATOR under the terms of this Section, the COUNTY, as OWNER, shall cooperate with SFRTA in its operation and maintenance of the WAVE MODERN STREETCAR, and shall take no actions to prevent SFRTA from accessing COUNTY property, both personal and real, necessary for the operation and maintenance of the WAVE MODERN STREETCAR.

If FDOT, the CITY, or both, also seek the return of CAPITAL FUNDS provided for the PROJECT from SFRTA, solely or in part as a result of a COUNTY default, such funds applicable to the percentage of fault determined for the COUNTY shall also be considered damages recoverable by SFRTA from the COUNTY.

18.3. LIABILITY AND SOVEREIGN IMMUNITYPARTNERS are agencies as defined in Chapter 768.28, F.S. Each PARTNER agrees to be fully liable and responsible for acts and omission of its elected officials, officers, agents or employees, to the extent permitted by law except that SFRTA assumes no liability for the failure of the other PARTNERS to meet their respective

performance and/or funding commitments made in this Agreement. Nothing herein is intended to serve as a waiver of sovereign immunity by any PARTNER to which sovereign immunity may be applicable. The PARTNERS each acknowledge the waiver of sovereign immunity for liability in tort contained in Section 768.28, F.S., the State of Florida's partial waiver of sovereign immunity, and acknowledge that such statute permits actions at law to recover damages in tort for money damages up to the limits set forth in such statute for death, personal injury or property caused by the negligent or wrongful acts or omissions of an agent or employee acting within the scope of the agent's or employee's office or employment. The PARTNERS agree to be individually responsible for all such claims and damages, to the extent and limits provided in Section 768.28, F.S., arising from the actions of their own respective employees and agents. The PARTNERS acknowledge that the foregoing shall not constitute an agreement by any PARTNER to indemnify the other, nor a waiver of sovereign immunity, nor a waiver of any defense that the PARTNERS may have under such statute, nor as consent to be sued by third parties.

Nothing herein shall be construed as consent by a state agency or political subdivision for the State of Florida to be sued by third parties in any matter arising out of this Agreement or any other contract associated with the PROJECT.

19. MISCELLANEOUS

19.1. RIGHTS IN DOCUMENTS AND WORK

As the SPONSOR, all documents created by SFRTA or its consultants and/or contractors in connection with the PROJECT are public records of SFRTA, to the extent required by Chapter 119, F.S.("Florida's Public Records Law") and will be subject to the requirements of the FEDERAL GRANT AGREEMENT(S) and applicable Federal and State law. SFRTA shall make available to all other PARTNERS such records for inspection upon reasonable notice during normal business hours, pursuant to Florida's Public Records Law.

1.1. INDEPENDENT CONTRACTOR

The PARTNERS are independent contractors under this Agreement. Services provided by the PARTNERS pursuant to this Agreement shall be subject to the supervision of the PARTNER providing the service. In providing such services, neither the PARTNER nor its agents shall act as officers, employees, or agents of any other PARTNER. No partnership, joint venture, or other joint relationship is created by this AGREEMENT.

1.2. THIRD PARTY BENEFICIARIES

The PARTNERS do not intend to directly or substantially benefit a third party by this Agreement. Therefore, the PARTNERS agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a right or claim against any of the PARTNERS based upon this Agreement.

1.3. NOTICES

Whenever any PARTNER desires to give notice to any other PARTNER, such notice must be in writing, sent by certified United States Mail, postage prepaid, return receipt requested, or sent by commercial express carrier with acknowledgement of delivery, or by hand delivery with a request for a written receipt of acknowledgment of delivery, addressed to the PARTNER for whom it is intended at the place specified, unless changed in writing in the manner provided in this section. For the present, the parties designate the following:

FOR COUNTY:

To: Governmental Center, Room 409
115 South Andrews Avenue
Fort Lauderdale, Florida 33301
Attention: County Administrator

With a copy to:

Governmental Center, Room 423
115 South Andrews Avenue
Fort Lauderdale, Florida 33301
Attention: County Attorney

FOR CITY:

To: City of Ft. Lauderdale
City Hall
100 N. Andrews Avenue
Fort Lauderdale, FL 33301
Attention: City Manager

FOR DDA:

To: 305 South Andrews Avenue, Suite 301
Fort Lauderdale, FL 33301
Attention: Executive Director

FOR SFRTA:

To: 800 N.W. 33rd Street, Suite 100
Pompano Beach, FL 33064
Attention: Executive Director

With a copy to:

800 N.W. 33rd Street, Suite 100
Pompano Beach, FL 33064

Attention: General Counsel

FOR BROWARD MPO:

To: Trade Centre South
100 West Cypress Creek Road,
8th Floor, Suite 850
Fort Lauderdale, Florida 33309-2112
Attention: Executive Director

1.4. ASSIGNMENT AND PERFORMANCE

Neither this Agreement nor any right or interest herein shall be assigned, transferred, or encumbered without the written consent of all PARTNERS.

1.5. CONFLICTS

Neither the PARTNERS nor their employees shall have or hold any continuing or frequently recurring employment or contractual relationship that is substantially antagonistic or incompatible with the PARTNERS' loyal and conscientious exercise of judgment and care related to their performance under this Agreement.

1.6. MATERIALITY AND WAIVER OF BREACH

1.6.1. The PARTNERS agree that each requirement, duty, and obligation set forth herein was bargained for at arms-length and is agreed to by the

PARTNERS in exchange for quid pro quo, that each is substantial and important to the formation of this Agreement and that each is, therefore, a material term hereof.

1.6.2. Failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

1.7. COMPLIANCE WITH LAWS

The PARTNERS shall each comply with all applicable federal, state, and local laws, codes, ordinances, rules, and regulations in performing their duties, responsibilities, and obligations pursuant to this Agreement.

1.1. SEVERANCE

In the event a material portion of this Agreement is found by a court of competent jurisdiction in a final order to be invalid, the remaining provisions shall continue to be effective unless any PARTNER elects to terminate this Agreement. An election to terminate this Agreement based upon this provision shall be made by a PARTNER within seven (7) days after the finding by the court becomes final and shall serve to terminate this Agreement in its entirety. If the Agreement is terminated, the PARTNERS retain all rights and remedies, as stated herein.

1.2. JOINT PREPARATION

The preparation of this Agreement has been a joint effort of the PARTNERS. The language agreed to expresses their mutual intent and the resulting document shall not, solely as a matter of judicial construction, be construed more severely against one of the PARTNERS than the other.

1.3. PRIORITY OF PROVISIONS

If there is a conflict or inconsistency between any term, statement, requirement, or provision of any exhibit attached hereto, any document or events referred to herein, or any document incorporated into this Agreement by reference and a term, statement, requirement, or provision of this Agreement, the provisions of this Agreement shall prevail and be given effect.

1.4. JURISDICTION, VENUE, WAIVER OF JURY TRIAL

This Agreement shall be interpreted and construed in accordance with, and governed by, the laws of the State of Florida. All the PARTNERS agree and accept that jurisdiction of any controversies or legal problems arising out of this Agreement, and any action involving the enforcement or interpretation of any rights hereunder, shall be exclusively in the Seventeenth Judicial Circuit Court in Broward County, Florida, and venue for litigation arising out of this Agreement shall be exclusively in such Court, forsaking any other jurisdiction which any PARTNER may claim by virtue of its residency or other jurisdictional device. The only exception shall be any dispute resolution proceedings addressed in this Agreement which shall be conducted in Broward County. **BY ENTERING INTO THIS AGREEMENT,**

PARTNERS HEREBY EXPRESSLY WAIVE ANY RIGHTS THEY MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THIS AGREEMENT.

1.5. AMENDMENTS

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by all of the PARTNERS or others with delegated authority to so or otherwise authorized to execute same on a PARTNER's behalf. Proof of delegation shall be provided upon the request of any PARTNER.

1.6. PRIOR AGREEMENTS

This Agreement represents the final and complete understanding of the PARTNERS and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The PARTNERS agree that there is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the PARTNERS agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.

19.15 REPRESENTATION OF AUTHORITY

Each individual executing this Agreement on behalf of a PARTNER hereby represents and warrants that he or she is, on the date he or she signs this

Agreement, duly authorized by all necessary and appropriate action to execute this Agreement on behalf of such PARTNER and does so with full legal authority.

19.16 MULTIPLE ORIGINALS

Multiple copies of this Agreement may be executed by all parties, each of which, bearing original signatures, and shall have the force and effect of an original document.

19.17 FORCE MAJEURE

It is expressly understood and agreed by the PARTNERS that if the performance of any provision of this Agreement is delayed by reason of war, civil commotion, act of God, governmental restrictions, regulations or interferences, fire or other casualty, court injunction, or any circumstances which are reasonably beyond the control of the PARTNER obligated or permitted under the terms of this Agreement to do or perform the same, the PARTNER so obligated or permitted shall be excused from doing or performing the same during such period of delay, so that the period of time applicable to such requirements shall be extended for a period of time equal to the period of time such PARTNER was delayed.

20 RESOLUTION OF DISPUTES

It is the desire and intent of the PARTNERS to avoid, if possible, the expense and delay inherent in litigation. Therefore, the PARTNERS agree that whenever any PARTNER(s) cannot resolve an issue with the other PARTNER(s), the affected

PARTNERS will engage in the alternative dispute resolution process described below prior to resorting to litigation. This process is separate from and shall not supersede the dispute resolution process regarding a Notice of Claim filed by the COUNTY, as outlined in Section 10 of this Agreement.

20.1 NOTICE OF DISPUTE

Any PARTNER(s) may give another PARTNER(s) written notice of any dispute not resolved in the normal course of business, with copies to the other non-disputing PARTNERS ("Notice"). Within ten (10) business days after delivery of the Notice, the receiving PARTNER shall submit to the disputing PARTNER a written response with copies to the other PARTNERS (the "Response"). The Notice and Response shall each include: (1) a statement of the position of the PARTNER delivering the Notice or Response, as the case may be, and a summary of arguments supporting the PARTNER's position; and (2) the name and title of the executive who will represent that PARTNER in the negotiation to resolve the dispute and of any other person who will accompany the executive.

20.2 DISPUTE MEETING

In the event there is a dispute, within ten (10) business days after delivery of the Response, the executives of the PARTNERS shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to

attempt to resolve the dispute. All reasonable requests for information made by one PARTNER to the other will be honored. In an effort to facilitate the negotiation process, such executives may agree to have an unrelated third PARTNER moderate and facilitate the negotiations. If a PARTNER intends to be accompanied at a dispute resolution meeting by an attorney, the other PARTNER shall be given at least three (3) business days notice of such intention and may also be accompanied by an attorney.

20.3 FAILURE TO RESOLVE DISPUTE

If the dispute has not been resolved within thirty (30) calendar days after delivery of the Notice, or if the parties fail to meet within twenty (20) calendar days, any of the PARTNERS directly involved in the dispute may give written notice to the other PARTNER(S) declaring the dispute resolution process terminated.

20.4 ENFORCEMENT

The PARTNERS regard the obligations to notify other PARTNERS of a dispute and to negotiate such dispute pursuant to this Section as an essential provision of this Agreement and one that is legally binding on each of them. In case of a violation of such obligation by any PARTNER, the other PARTNERS may bring an action to seek enforcement of such obligation to any court of law having jurisdiction. Each PARTNER shall bear its own costs and expenses incurred in connection with any negotiations and dispute resolution and litigation arising out of this Agreement.

20.5 ALTERNATE RESOLUTION

Upon failure to resolve any dispute in accordance with this Section, or in accordance with the dispute resolution procedure established for PROJECT HANDOVER in this Agreement, the PARTNERS may engage in mediation, arbitration, or other dispute resolution processes at their discretion, or pursue other legal remedies.

21 FURTHER ASSURANCES

Each PARTNER agrees to perform any further acts and to sign and deliver any documents that may be reasonably necessary to carry out the provisions of this Agreement.

22 INSURANCE

The PARTNERS agree to maintain insurance coverage or be self-insured for commercial general liability, worker's compensation and employer's liability insurance in accordance with Chapter 440, F.S., as may be amended from time to time.

23 EFFECTIVE DATE

The Effective Date of this Agreement shall be the date on which the last PARTNER executes this Agreement.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement.

THE WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT

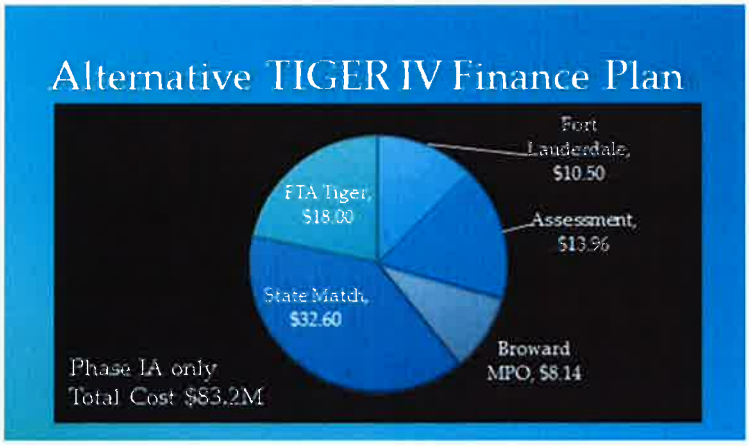
EXHIBIT 2

PHASE 1A FINANCE PLAN



THE WAVE MODERN STREETCAR PARTNERSHIP AGREEMENT for the WAVE's PLANNING, FINANCE, DESIGN, IMPLEMENTATION, PROJECT SPONSORSHIP, OWNERSHIP, OPERATIONS AND MAINTENANCE

Presentation to SFRTA Governing Board

April 26, 2013

Parties to the Agreement & Their Respective Roles

- **SFRTA** – Project Sponsor for Federal Grants; will design and construct the WAVE
- **Broward County** – Owner/Operator of the WAVE; will provide operation/maintenance funding
- **City of Ft. Lauderdale** – will provide capital funding of between $24,460,000 to $31,090,000
- **Broward County MPO** – will provide capital funding of between $4,640,000 to $8,140,000
- **Downtown Development Authority of the City of Ft. Lauderdale (DDA)** – will provide funding shortfalls (both capital and operational)

Additional Funding Partners
(not parties to WAVE Partnership Agreement)

- FDOT will provide between $32.60 and $35.65 million dollars
- FTA has committed $18 million and may commit an additional $71.21 million

Project Phases

- Phase 1A
  - approximately 1.42 miles
  - funded by TIGER Grant, State and Local contributions
- Phase 1
  - approximately 2.7 miles
  - to be funded by Small Starts Grant (if awarded), State and Local contributions

Project Coordination

- Procurements
  - SFRTA will procure design/build services and rolling stock
  - Party representatives sit on evaluation committees
- Technical Advisory Group
  - Representatives from each Party
  - Work with SFRTA to oversee Project from Design through Project Handover to County
  - Make recommendations throughout Project

Project Overview

- Design and Construction
  - SFRTA's responsibility
- Operations and Maintenance
  - County's responsibility
- Overlap
  - Project Handover
  - Change Orders

Change Orders

- SFRTA's Construction Oversight Committee shall approve change orders (COs), with TAG input
- County can file a Notice of Claim in the event it believes the approval or denial of a CO will increase its operating costs by more than $125,000/year
- Any outstanding claims will be heard by an arbitration panel after Independent Expert's recommendation

Project Handover

- Procedure for inspection, testing and evaluation of Project to transfer Project from SFRTA to County
- County and SFRTA jointly hire Independent Expert (IE)
- Independent Expert will:
  - determine if Project meets certain Acceptance Criteria
  - recommend Issuance of Final Acceptance (FA) OR what has to be done before FA can be issued

Final Acceptance Criteria

- The Project has been constructed in accordance with the approved Project Plans and Specifications;
- The Project is free from material defects; and
- The Project has received all of the required federal and state permits necessary for operation

Project Handover (cont.)

- If IE does not recommend Final Acceptance be issued, then:
  - IE must provide details about what needs to be accomplished to issue FA
  - County and SFRTA must try to resolve issues
  - If County and SFRTA can't resolve issues then:
    - SFRTA is to use best efforts to identify resolution; and
    - DDA to use best efforts to identify additional funding for FA to occur

PROJECT HANDOVER (cont.)

- If IE Recommends Final Acceptance be issued:
  - Closing occurs (if County has resolved title issues):
    - within 60 days after date of recommendation,
    - but no later than 30 days after Project Handover
  - Project Handover = date County acknowledges in writing to SFRTA that it is receiving Good Title
- Project Handover = when County accepts responsibility for O/M and compliance with Federal Grants

Revenue Service

- Revenue service for the WAVE Modern Streetcar shall start by whichever occurs first:
  - 6 months after Project Handover; OR
  - By the Revenue Operations Date in the Federal Grants

Liability

- County has no responsibility or liability for acts or claims that arose or occurred prior to Project Handover
- SFRTA has liability for the Federal Grants throughout the life of the Project
  - Federal Government interprets that to be the life of the assets or approximately 25-30 years
  - In the event of default, the Federal Gov't will seek performance or damages from SFRTA

Default/Capital

- Should SFRTA be in default of the Federal Grants due to failure of one the Partners to meet its capital funding commitment:
  - SFRTA can seek monetary damages or specific performance from the relevant Partner(s)

Default/Operations and Maintenance by County

- If, as a result of County's failure to operate the WAVE, SFRTA is either:
  - Notified by the federal gov't that it will be found in default of a Federal Grant; OR
  - Is found in default of a Federal Grant
- Then SFRTA may:
  - assume the role of Operator; and
  - seek monetary damages from County, including County's annual operating commitment

FORT LAUDERDALE WAVE STREETCAR TRANSPORTATION INVESTMENT GENERATING ECONOMIC RECOVERY (TIGER) GRANT AGREEMENT BETWEEN THE SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY AND FEDERAL TRANSIT ADMINISTRATION

MOTION TO APPROVE:

(A) The Fort Lauderdale Wave Streetcar TIGER Grant Agreement between the South Florida Regional Transportation Authority (SFRTA) and Federal Transit Administration (FTA) where the SFRTA will be the recipient grantee of Federal funds, in the amount of $18,000,000 for the Design and Construction of the Wave Modern Streetcar Project.

(B) Delegated Authority to the Executive Director to finalize and execute the corresponding document, and any associated documentation, in FTA's Transportation Electronic Award Management (TEAM) system.

SUMMARY EXPLANATION AND BACKGROUND:

The Wave Modern Streetcar Project (Project) will be an electric modern streetcar system that connects the Florida Atlantic University/Broward College downtown campus, the Broward County Courthouse/Judicial Complex, the Broward General Medical Complex, the Broward County Governmental Center, Fort Lauderdale Museum of Art, Broward County Transit's downtown transit terminal along with numerous other residential, entertainment and recreational, commercial and employment destinations.

In June 2012, the FTA awarded an $18 million TIGER discretionary grant to SFRTA towards the capital costs of the Project (TIGER Grant). Under the TIGER Grant agreement, SFRTA is listed as the Project Sponsor. As Project Sponsor, SFRTA is responsible for compliance with the TIGER Grant provisions for the useful life of the Project.

(Continued on page 2)

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.

Department Director: Daniel R. Mazza, P.E.
Procurement Director: Chris Bross

FISCAL IMPACT: SFRTA shall have no obligation to fund the costs of any capital improvements.

AGREEMENT NO. 12-008 WITH _____(TBD)
PROJECT MANAGEMENT CONSULTING SERVICES
FOR THE WAVE MODERN STREETCAR PROJECT

REQUESTED ACTION:

MOTION TO APPROVE: Agreement No. 12-008 between the South Florida Regional Transportation Authority (SFRTA) and _____(TBD), to provide Project Management Consulting Services for the Wave Modern Streetcar Project (Project) in the maximum not-to-exceed amount of $_____(TBD).

SUMMARY EXPLANATION AND BACKGROUND:

On January 11, 2013, SFRTA advertised a Request for Qualifications (RFQ) for Project Management Consulting Services for the Wave Modern Streetcar Project. Advertisements were placed in three local newspapers and advance notice was sent to fourteen firms from SFRTA's vendor database referral list. Twenty-three firms obtained the RFQ document and three submittals were received on February 19, 2013.

The Evaluation and Selection Committee, consisting of William Cross (SFRTA), Brandy Creed (SFRTA), Chris Wren (Fort Lauderdale Downtown Development Authority), Greg Stuart (Broward Metropolitan Planning Organization), Diana Alarcon (City of Fort Lauderdale), Birgit Olkuch (FDOT District 4), and Barney McCoy (Broward County Transit), met on March 13, 2013 to hear oral presentations and perform the evaluation. The Committee ranked _____(TBD) as the number one firm. Following approval by the Executive Director of the Committee's ranking, SFRTA entered into negotiations with _____(TBD). Staff now recommends approval of Agreement No. 12-008 (Exhibit 1) with _____(TBD) in the maximum not-to-exceed amount of $_____(TBD). The final negotiated contract authorizes scope and dollars for Phase 1 of the Project in the event SFRTA is awarded the Small Starts Grant necessary to complete the entire Project. Construction Engineering and Inspection (CE&I) services will be negotiated at a later date.

Department: Engineering and Construction

JOINT PARTICIPATION AGREEMENT
FOR FISCAL YEAR 2012-2013 FOR THE WAVE MODERN STREETCAR PROJECT

REQUESTED ACTION:

MOTION TO APPROVE: Joint Participation Agreement (JPA) between the South Florida Transportation Authority (SFRTA) and the Florida Department of Transportation (FDOT), for funds in the amount of $3,322,707 towards the Project Management Consultant Services (PMC) and design services for the Ft. Lauderdale Wave Modern Streetcar Project (WAVE).

SUMMARY EXPLANATION AND BACKGROUND:

FDOT will provide the SFRTA with a JPA for funds for payment towards the PMC Services and design services for the WAVE.

Department: Finance & Information & Technology
Project Manager: Elizabeth Walter-Ebersole
Department Director: Edward Woods
Procurement Director: Christopher Bross

FISCAL IMPACT: This Agreement will fund $3,322,707 through a JPA from FDOT to fund the PMC and design services for the WAVE.

MEMORANDUM OF UNDERSTANDING BETWEEN SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY, BROWARD COUNTY, FLORIDA DEPARTMENT OF TRANSPORTATION, AND CITY OF FORT LAUDERDALE REGARDING WAVE MODERN STREETCAR PROJECT PROPERTY

MOTION TO APPROVE:

(A) The Memorandum of Understanding (MOU) between South Florida Regional Transportation Authority (SFRTA), Broward County, Florida Department of Transportation (FDOT), and the City of Fort Lauderdale regarding Wave Modern Streetcar Project property in substantially the form provided; and

(B) Delegated Authority to the SFRTA Chair to finalize and execute the MOU for transmittal to the Federal Transit Administration (FTA) on behalf of SFRTA.

SUMMARY EXPLANATION AND BACKGROUND:

The Wave Modern Streetcar project (Project) will be an approximately 2.7-mile electric modern streetcar system located in the Downtown City of Fort Lauderdale (Phase 1).Phase 1A of the Project is approximately 1.42 miles and is the phase to be constructed using the TIGER Grant.

SFRTA was awarded a Transportation Investment Generating Economic Recovery (TIGER) Grant from the FTA, in June, 2012 for Phase 1A of the Project. As a condition of the TIGER Grant, FTA is requiring that the parties enter into an agreement evidencing their commitment to providing the necessary access, availability and usage of their respective interests in the Project property. This includes long-term access to State, County and City road right of way (ROW), as well as, the Wave Maintenance Facility.

Department: Planning & Capital Development
Project Manager: William L. Cross, P.E.

Department Director: Daniel R. Mazza, P.E.
Procurement Director: Christopher Bross

FISCAL IMPACT: SFRTA shall have no obligation to fund the costs of any capital improvements.

Exhibit 1- MOU Wave Modern Streetcar Project Property

MEMORANDUM OF UNDERSTANDING

Between

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY,

BROWARD COUNTY,

FLORIDA DEPARTMENT OF TRANSPORTATION, and

CITY OF FORT LAUDERDALE

Regarding the

WAVE MODERN STREETCAR PROJECT PROPERTY

DRAFT

This Memorandum of Understanding ("MOU") is entered into jointly by the South Florida Regional Transportation Authority ("SFRTA"), Broward County ("County"), the Florida Department of Transportation ("FDOT") and the City of Fort Lauderdale ("City"). Hereinafter, these agencies are referred collectively as the "Parties."

WHEREAS, the Parties have committed either funding or other services for the WAVE Modern Streetcar Project (as it is defined in the Wave Modern Streetcar Partnership Agreement dated _____, ___, 2013 (the "Agreement") and referred to herein as the "Project"; and

WHEREAS, SFRTA was awarded a TIGER Grant from the Federal Transit Administration ("FTA"), in June, 2012 for the Project (the "TIGER Grant"); and

WHEREAS, each of the Parties owns, or shall own, pursuant to the terms of the Agreement, property over which the Project shall operate and/or land on which the WAVE Maintenance Facility will be located (the "Project Property"); and

WHEREAS, FTA is requiring, as a condition of the TIGER Grant, that the Parties enter into an agreement evidencing each of the Parties' commitment to providing the necessary access, availability and usage of their respective interests in the Project Property

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, conditions, promises, covenants, and payments hereinafter set forth, the Parties agree as follows:

1. RECITALS.

   The truth and accuracy of each of the Recitals set forth above are acknowledged by the Parties and, along with the exhibits attached to this Agreement, are incorporated herein by reference.

2. PROJECT PROPERTY.

a. The Parties are, or will be, the owners of the Project Property identified in the TIGER grant application approved by FTA or, in the case of the Vehicle Maintenance Facility (VMF), which will be identified at a future date.

b. The Parties agree to allow the Project to operate over their respective interests in the Project Property including rights of way and to have the necessary access to their respective Project Property(ies) (if such access is within the respective Party's control) to permit the Project to be operated, in compliance with the Parties' respective applicable rules and regulations.

c. The Parties agree to accommodate the use and utility of the Project in the future development of their facilities for as long as the Project is operational. It is contemplated that during the Project's Engineering Phase, that FTA may require a more definitive agreement regarding the usage of the Project Property including rights of way to enable the Project to operate and serve the public. In that event, the Parties agree to negotiate such agreement in good faith and in a timely manner.

3. TERM.

The term of this MOU will be for a period not to exceed thirty (30) years or as long as the Project is operational.

4. EFFECTIVE DATE.

This MOU shall take effect on the last date approved by all Parties. Multiple copies of this Agreement may be executed by all Parties, each of which, bearing original signatures, and shall have the force and effect of an original document.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement.

TRI-RAIL COASTAL LINK
MEMORANDUM OF UNDERSTANDING (MOU)

REQUESTED ACTION:

MOTION TO APPROVE: Tri-Rail Coastal Link Memorandum of Understanding (MOU)

SUMMARY EXPLANATION AND BACKGROUND:

In November 2012, South Florida Regional Transportation Authority (SFRTA) Governing Board members and SFRTA staff were part of a multi-agency Southeast Florida delegation that participated in the Sustainable Communities Leadership Academy (held in Minneapolis, MN). The multi-agency Southeast Florida delegation developed a proposed "Southeast Florida Passenger Rail Coordination Framework" which specifically defined roles for the various parties during each stage of development and implementation of expanded Tri-Rail service on the Florida East Coast (FEC) Corridor.

In subsequent months, this framework has evolved to become a Memorandum of Understanding (MOU) that defines relationships and roles for the various parties involved in the project. The draft MOU has undergone multiple reviews by the partner agencies, including a comments letter that was transmitted by SFRTA staff on February 13, 2013.

Consensus was reached on the content of the MOU at a recent meeting of the South Florida East Coast Corridor (SFECC) Study Steering Committee, which was held on March 4, 2013 and had multiple SFRTA Governing Board members in attendance. The SFECC Study Steering Committee also took action at its March 4, 2013 meeting by approving "Tri-Rail Coastal Link" as the new project name.

As currently scheduled, the Southeast Florida Transportation Council (SEFTC) is the first body with the opportunity to approve the MOU on April 22, 2013. Following SFRTA Governing Board consideration on April 26, 2013 the MOU will be on the meeting agendas of the region's three metropolitan planning organizations (MPOs) and two regional planning councils (RPCs) throughout the month of May (Exhibit 2).

MEMORANDUM OF UNDERSTANDING

Between

PALM BEACH METROPOLITAN PLANNING ORGANIZATION,
BROWARD METROPOLITAN PLANNING ORGANIZATION,
MIAMI-DADE METROPOLITAN PLANNING ORGANIZATION,
SOUTHEAST FLORIDA TRANSPORTATION COUNCIL,
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY,
FLORIDA DEPARTMENT OF TRANSPORTATION,
SOUTH FLORIDA REGIONAL PLANNING COUNCIL, AND
TREASURE COAST REGIONAL PLANNING COUNCIL

For

TRI-RAIL COASTAL LINK SERVICE

PRELIMINARY PROJECT DEVELOPMENT, PROJECT DEVELOPMENT,
ENGINEERING AND CONSTRUCTION PHASES; FUNDING;
PUBLIC OUTREACH; PROJECT SPONSORSHIP; AND OPERATING AGENCY

This Memorandum of Understanding (MOU) is entered into by and among the Palm Beach Metropolitan Planning Organization (Palm Beach MPO), Broward Metropolitan Planning Organization (Broward MPO), Miami-Dade Metropolitan Planning Organization (Miami-Dade MPO), Southeast Florida Transportation Council (SEFTC), Florida Department of Transportation (FDOT), South Florida Regional Transportation Authority (SFRTA), South Florida Regional Planning Council (SFRPC), and Treasure Coast Regional Planning Council (TCRPC). Hereinafter, these agencies are referred collectively as the "Parties."

The Parties wish to continue the efforts already underway to improve mobility in the region which have involved unprecedented state, regional and local stakeholder collaboration and coordination, including the Parties' ongoing efforts to identify optimum multimodal alternatives for a balanced transportation system and to support local and regional land use plans.

The development of a multimodal transportation system within the southeast Florida region involves numerous transportation agencies and stakeholders and is a complex undertaking. Each of the Parties brings unique knowledge, skills, and abilities which are necessary for successful completion and ultimate implementation of the Project.

The Parties acknowledge the potential transportation, economic, social, and environmental benefits of the reintroduction of passenger service along an 85-mile section of the Florida East

Coast ("FEC") Railway corridor between downtown Miami and Jupiter. The proposed premium transit service generally described by the on-going South Florida East Coast Corridor ("SFECC") Study has been named, by agreement of the parties, the Tri-Rail Coastal Link Service (the "Project").

The Project will connect the urban core of 28 densely-populated municipalities in eastern Miami-Dade, Broward, and Palm Beach Counties. It will improve north-south mobility, encourage stronger east-west connections, promote redevelopment and revitalization, enhance and integrate existing Tri-Rail service, and enhance freight movement. Reintroducing passenger service in the FEC corridor will provide an efficient option to driving on congested streets and highways and a much-needed integrated transportation link.

The Palm Beach MPO, Broward MPO, and Miami-Dade MPO (collectively referred to herein as the "MPOs") have allocated funding towards the Project. It is acknowledged the Project will require certain approvals consistent with the Federal planning role of MPOs, including the Project's placement into the local and regional fiscally-constrained Long Range Transportation Plans (LRTPs) and the determination of a "Locally Preferred Alternative" (LPA).

Exhibit "A" of this MOU identifies the roles and responsibilities of the major items, work tasks, and project phases associated with implementation of the "Project," which will include the following: Preliminary Project Development; Project Development; Engineering; Construction; Funding; Public Outreach; Project Sponsorship (with the Federal Transit Administration (FTA), which is anticipated to be the lead federal agency); and Operations.

The purpose of this MOU is to develop a multi-agency partnership for undertaking the Project. This includes, but is not limited to:

- Establishing an Executive Steering Committee and Sub-Committees with specific responsibilities and regularly scheduled meetings,
- Clarifying the roles and responsibilities of the Parties relative to the Project,
- Clarifying the involvement of the Parties relative to the Project,
- Improving the efficiency by which Project activities are conducted,
- Scheduling regular Project updates to the involved Boards and agencies as deemed necessary by the Executive Steering Committee,
- Presenting and advancing the Project with a unified voice,
- Coordinating technical studies and evaluations,
- Coordinating outreach to the public, municipalities, and other involved stakeholders,
- Collaborating on innovative approaches to a Funding Framework for the Project,
- Maximizing the Region's competitiveness in securing potential Federal funding for the project,
- Clarifying communication/coordination with the involved privately owned railroads, and
- Managing the funding and administration relating to the Project.

The Parties hereby mutually agree and express their understanding of the following components:

1. **Executive Steering Committee:** Prior to the beginning of the Project Development Phase, the Parties shall establish an Executive Steering Committee to provide guidance and direction for the Project and to serve as a liaison to their respective agencies. The Parties shall select up to two senior level representatives to serve as members of the Committee, and all Parties shall participate fully in this Committee, including providing staff and technical support to the Committee as deemed necessary. The Executive Committee is intended to include additional representation from the three county transit agencies to provide strategic input on regional and local transportation issues. The Executive Committee should meet no less than bi-monthly to discuss Project status, issues facing the Project and to develop strategies for resolving Project-related challenges.

2. **Project Roles and Responsibilities:** The roles and responsibilities of the Parties in conducting the Project shall be as follows:

   A. All Parties shall ensure that the Project is coordinated and consistent with all local, regional, and state transportation plans.

   B. All Parties shall seek to reach consensus on key project issues and work cooperatively towards resolving any conflicts that may arise.

   C. All Parties shall ensure that the overall Project Development milestone schedule (two year required timeline by FTA) is maintained throughout the project. A schedule with key milestones (FTA documentation, public meetings, etc.) will be developed by FDOT and reviewed by the Executive Steering Committee. The Sub-Committees will ensure project development activities are consistent with the overall Project Development schedule.

   D. SFRTA will coordinate with FDOT on the rail operations planning and engineering to support the analysis of alternatives, particularly as it affects existing commuter rail services.

   E. FDOT and SFRTA will jointly present regular Project updates quarterly to the MPOs, SEFTC, and SFRTA boards and semi-annually to the SFRPC and TCRPC boards.

   F. **Executive Steering Committee:** FDOT will coordinate the Executive Steering Committee as described above, in collaboration with SFRTA, through the Project Development Phase. SFRTA will coordinate the Executive Steering Committee, in

collaboration with FDOT, through the Engineering and Construction Phases. Additional technical input as appropriate will be coordinated with Florida East Coast Industries (FECI). The Executive Steering Committee will report back to the MPOs and SEFTC for local and regional direction.

G. **Project Sub-Committees:** Three Sub-Committees will serve under the Executive Steering Committee to facilitate more detailed discussions about certain aspects of the project as follows:

   a. The Financial Sub-Committee, to be coordinated by the SFRTA, will develop a financial and funding plan for the Project, including local contributions.
   b. The Technical Sub-Committee, to be coordinated by the FDOT, will review and discuss the numerous technical details of the project.
   c. The Public Outreach Sub-Committee, to be coordinated by the Regional Planning Councils (RPCs), will craft and disseminate materials for general public outreach efforts.

All Sub-Committees shall utilize the technical resources of the Project team to ensure information and data consistency.

All Sub-Committees shall report back to the Executive Steering Committee.

All Sub-Committees shall include representation by the three MPOs.

H. **Preliminary Project Development Phase:** FDOT shall have the primary responsibility to lead and complete the Preliminary Project Development Phase, including the completion of the "South Florida East Coast Corridor Study." This study, which represents "preliminary project development" (formerly known as an "alternatives analysis"), includes the traditional steering of the planning activities leading to a formal request to Federal Transit Administration (FTA) for the project to enter the "project development" phase (which includes the NEPA process). SFRTA, in conjunction with FDOT and the MPOs, will transmit a letter to FTA on behalf of the Parties requesting entry into the Project Development Phase and indicating the SFRTA will be the future Project Sponsor. Concurrence from the MPOs shall be secured for the Project prior to this request to FTA.

During the Preliminary Project Development and Project Development Phases, FDOT shall serve as contract manager for the Project, administer Project funds, oversee all technical and environmental components, and insure that the Project's procurement process is consistent with applicable federal, state and local regulations and that

appropriate billing procedures are implemented. FDOT will coordinate directly with SFRTA for technical support, as well as Project presentations, workshops, and hearings. General oversight for the Project will be provided by SEFTC.

I. **Project Development Phase:** FDOT shall have the primary responsibility for completing all activities associated with the Project Development Phase, including the National Environmental Policy Act (NEPA) process. FDOT will coordinate this effort directly with the SFRTA, including technical support and all presentations, workshops, and hearings. Following approval of an LPA by the Palm Beach MPO, Broward MPO, and Miami-Dade MPO, FDOT shall submit final NEPA documentation to FTA. Upon approval of the NEPA document, SFRTA, on behalf of the Parties, shall submit a request to FTA to enter the Engineering Phase.

FDOT and the SFRTA will coordinate with the Executive Steering Committee regarding coordination with local governments addressing station locations, land use, future transit oriented development opportunities, and related matters. Additional technical input as appropriate will be coordinated with FECI.

J. **Design, Engineering and Construction Phases:** SFRTA shall have the primary responsibility to lead the Engineering and Construction Process. SFRTA will coordinate this effort directly with FDOT. Oversight for this Process will be provided by the Executive Steering Committee. Prior to the submittal of an FTA request to advance the Project into the Engineering Phase, the Project shall be endorsed by the MPOs, and it shall be included in the "Cost Feasible" plans of the MPOs and SEFTC (referred to as "fiscally constrained plans" in the MAP-21 legislation).

K. **Public Outreach Process:**

a. **General Public Outreach:** SFRPC and TCRPC shall have the primary responsibility for the coordination and implementation of a general public outreach and education program. This shall include development and facilitation of a "Corridor Coalition" to assist with identification of project leaders, provide project advocacy, and secure public input. The RPCs will provide all public materials to FDOT for review to ensure NEPA compliance. A public involvement schedule for NEPA requirements (public meetings, advertising deadlines, etc.) will be developed by FDOT and coordinated with the RPCs. FDOT will retain responsibility for responding to and maintaining records for all public comments during the NEPA process. The public outreach effort will be supported by and coordinated with FDOT, SFRTA, SEFTC, and the MPOs.

b. **Procedural Public Outreach:** The lead coordinating agency responsible for a particular phase of the Project (e.g., FDOT for the Project Development Phase; SFRTA for the Engineering and Construction Phases) will facilitate the required procedural public outreach for said phase (e.g., NEPA public hearings, notices mailed to affected property owners). The RPCs will provide assistance for this specific public outreach as appropriate. All public outreach activities will be coordinated with the Executive Steering Committee.

L. **Negotiations with Florida East Coast Industries (FECI)**: Speaking with a "unified voice" for the Region, FDOT and SFRTA shall be equally responsible for negotiations with Florida East Coast Industries (FECI) regarding all aspects of the Tri-Rail Coastal Link service. Both FDOT and SFRTA will provide legal and technical support as necessary for completion of negotiations.

M. **Project Finance Plan:** Through the Project Steering Committee, FDOT shall have the primary responsibility to develop a general funding framework, through the Preliminary Project Development Phase, which will include anticipated federal, state, and local shares. Through the Financial Sub-Committee, SFRTA shall have the primary responsibility for project financing, including the development of a conceptual project finance plan that addresses capital costs, access fees, operations/maintenance costs, and local contributions. FDOT and SFRTA will collaborate upon these efforts, which will occur simultaneously throughout the course of the Project. The Project Finance Plan will be coordinated with and integrated into ongoing MPO finance planning and be presented to the MPOs for approval. Approval will be sought by the Executive Steering Committee and all affected funding parties at the federal, state, county, and municipal levels, as well as other sources that may be identified, and ultimately brought to the MPOs for inclusion in their Cost Feasible Plans and Transportation Improvement Plans (TIPs) per federal law.

N. **Project Funding:** Funding for the Project Development Phase of the Project is included in the FDOT five-year work program. The Executive Steering Committee shall pursue all sources of capital money to fund the remaining phases of Engineering and Construction. Operations and maintenance costs shall be a local and regional responsibility. FDOT shall have no obligations to fund operations and maintenance costs for the Project.

O. **Federal Funding Application Process:** SFRTA shall have the primary responsibility for negotiating and acquiring a Full Funding Grant Agreement (FFGA)

with the FTA, should the project require New Starts/Small Starts or capital funding through the FTA. SFRTA will be identified as the Project Sponsor and "Designated Recipient" for the award of any Federal funds for the Project. FDOT will be responsible for assembling the project information and producing all technical documentation for entry into the Project Development and Engineering Phases, including New Starts technical worksheets and data. SFRTA will review all project-related documentation prior to its submittal to FTA.

Once the Project is approved to enter the Project Development Phase, FDOT, in coordination with SFRTA, will lead all technical discussions with FTA through the Project Development Phase. Once the Project is approved to enter the Engineering Phase, SFRTA, in coordination with FDOT, will lead all technical discussions with FTA once the Project is approved for the Engineering Phase.

Additional technical input as appropriate will be coordinated with FECI. General oversight for all Federal funding applications will be provided by the Executive Steering Committee.

P. **Operations Phase.** The Project is anticipated to result in expanded and integrated commuter rail passenger service on the South Florida Rail Corridor (Tri-Rail) as well as new service on the FEC rail corridor (Tri-Rail Coastal Link) and that these services would become an important part of the regional transportation system. Accordingly, it is the intent of all Parties that SFRTA be the Operating Agency of the Tri-Rail Coastal Link commuter rail passenger service in South Florida and that it have the primary responsibility for the service.

The various components of the SFECC Project Process, as identified above, are illustrated in the graphic contained in Exhibit A.

3. **Involvement by the Parties in the Project:** The Project shall be conducted with the involvement of, and in cooperation with, the Parties at each stage of the Project. Approval from the Executive Steering Committee must be obtained at each of the major Project milestones. The major milestones for the purposes of the MOU on this Project include:

   A. Board Meeting Presentations
   B. FTA Presentations
   C. Strategy and schedule for the Project Development and related environmental analysis for the Project under NEPA

D. Submission of the Project Development letter and supporting documentation to FTA for the Project
E. Development and refinement of the Build Alternatives for the NEPA process
F. Preliminary funding plan with the regional stakeholders
G. Endorsement from MPOs prior to requesting FTA approval to enter Project Development and/or Engineering Phases
H. Public Workshop and Hearing materials for the NEPA process
I. Executive Steering Committee recommendation of an LPA to the MPOs
J. Submission of the draft NEPA document to the FTA
K. Schedule for the Next Phase of the Project Process, Engineering, in compliance with FTA requirements including the preliminary funding plan for the Project

4. Through this MOU, the Parties express their mutual intent to move in a diligent, efficient, and thorough manner to develop the Project, but understand that this MOU is, by its nature, an understanding outlining commitments to be made in this process and the Parties understand and agree that notwithstanding anything to the contrary contained in this MOU, this MOU shall impose no legally enforceable contractual obligations or other obligations on any of the Parties. Each of the parties agrees to pursue maximum cooperation and communication to ensure that the planning, design, financing, and implementation of passenger rail service fully complies with applicable federal and state requirements and results in a minimum duplication of effort.

5. This MOU shall take effect when approved by all Parties on the last date shown below, and shall expire upon Project Implementation or upon sixty (60) days notice of termination by any Party. The Understanding may be extended in writing by the Parties.

APPROVED AND ADOPTED by each Party on the date shown below:

JOINT PARTICIPATION AGREEMENT AQ769
FOR FISCAL YEAR 2013-2014

REQUESTED ACTION:

MOTION TO APPROVE: Amendment 3 to Joint Participation Agreement AQ769 (JPA) between the South Florida Transportation Authority (SFRTA) and the Florida Department of Transportation (FDOT) District-6 (D6), for additional funds in the not-to-exceed amount of $336,126.28 towards security at the Hialeah Market Station.

SUMMARY EXPLANATION AND BACKGROUND:

FDOT D6 and the SFRTA entered into JPA AQ769 on March 9, 2011, to provide 24/7 armed security and marketing services for the relocating of the SFRTA Hialeah Market Station in the not-to-exceed amount of $575,460.72. Amendment 1 moved the remaining funds from the marketing services line item to the security line item; Amendment 2 extended the JPA through June 30, 2014; and Amendment 3 will add additional funds to security and replace the marketing services funding bringing the total not-to-exceed amount of the JPA to $911,587.00.

Department: Finance & Information & Technology
Project Manager: Elizabeth Walter-Ebersole
Department Director: Edward Woods
Procurement Director: Christopher Bross

FISCAL IMPACT: This amendment will increase the project by $336,126.28 towards 24/7 armed security and marketing services and is included in the SFRTA Fiscal Year 2013-2014 Capital Budget.

AMENDMENT THREE TO JOINT PARTICIPATION AGREEMENT BETWEEN THE STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION AND THE SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY

This Amendment Three to that certain Joint Participation Agreement AQ769, executed on March 9, 2011 (the "Contract"), incorporated herein by reference, between South Florida Regional Transportation Authority, a body politic and corporate, an agency of the State of Florida ("SFRTA"), and the State of Florida Department of Transportation, a component agency of the State of Florida ("DEPARTMENT"), to provide 24/7 armed security and marketing services for the relocated SFRTA Hialeah Market Station, programmed under Financial Project Number 406800-2-58-03 ("PROJECT"), is entered into this _____ day of _____, 20__.

RECITALS:

WHEREAS, the Contract was entered into by both parties pursuant to the approval of the DEPARTMENT and of SFRTA, in the total amount of Five Hundred Seventy Five Thousand Four Hundred Sixty Dollars and Seventy Two Cents ($575,460.72) for the PROJECT costs; and

WHEREAS, it is necessary to increase the total Contract amount by Three Hundred Thirty Six Thousand One Hundred Twenty Six Dollars and Twenty Eight Cents ($336,126.28) to provide additional dollars needed to fund the PROJECT costs as identified in the attached Exhibit 'B2', 'Amended Financial Summary', which is herein incorporated by reference; and

NOW, THEREFORE, for the considerations hereinafter set forth:

The Contract dated March 9, 2011, is hereby amended as follows:

Financial Provisions shall be increased by an amount not to exceed Three Hundred Thirty Six Thousand One Hundred Twenty Six Dollars and Twenty Eight Cents ($336,126.28). The contract total shall not exceed Nine Hundred Eleven Thousand Five Hundred Eighty Seven Dollars ($911,587.00).

Exhibit 1 shall be supplemented by the increased amount of Three Hundred Thirty Six Thousand One Hundred Twenty Six Dollars and Twenty Eight Cents ($336,126.28).

All other terms and conditions of the Contract are in effect and remain unchanged.

RENEWAL OPTION TO AGREEMENT NO. 10-014
SOUTH FLORIDA EDUCATION CENTER TMA
SHUTTLE BUS SERVICE

REQUESTED ACTION:

MOTION TO APPROVE: Third of four (4) one (1) year renewal options to Agreement No. 10-014, between the South Florida Regional Transportation Authority (SFRTA) and South Florida Education Center (SFEC) Transportation Management Association (TMA) for Shuttle Bus Services. Under the Agreement, SFRTA will provide fifty (50%) of the operating funds for the SFEC/Tri-Rail route, in the maximum not-to-exceed amount of $95,000 for Fiscal Year 2013/14.

SUMMARY EXPLANATION AND BACKGROUND:

In June 2010, the Board approved Agreement No. 10-014 with SFEC TMA for Shuttle Bus Services. The Agreement was for a one (1) year term with four (4) one (1) year renewal options, in the maximum not-to-exceed amount of $95,000. In June 2011, the Board approved the first one-year renewal option in the maximum not-to-exceed amount of $95,000 and in April 2012, the Board approved the second one-year renewal option in the maximum not-to-exceed amount of $95,000.

The route, SFEC/Tri-Rail Express, has been in operation since July 2000, between the SFRTA/Tri-Rail Ft. Lauderdale/Hollywood International Airport Station at Dania Beach to the South Florida Education Center in Davie. The route averages 7,000 to 8,000 passenger boardings per-month and is above the minimum seven (7) passenger-per-hour threshold used a guide in the SFRTA Bus Route Funding Evaluation Matrix. Staff is recommending the Board approve this third one-year renewal option in the maximum not-to-exceed amount of $95,000 for FY 2013/14.

Department: Operations
Project Manager: Chad Betts

Department Director: Bradley Barkman
Procurement Director: Christopher Bross

FISCAL IMPACT: Funding will be included in the Fiscal Year 2013/14 Operating Budget

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
FIVE YEAR SHUTTLE BUS SERVICE AND FINANCIAL PLAN

SUMMARY EXPLANATION AND BACKGROUND:

On an annual basis, the South Florida Regional Transportation Authority (SFRTA) is responsible for developing a new SFRTA Five Year Shuttle Bus Service and Financial Plan. This Plan is the product of ongoing planning, monitoring, and both internal and external coordination efforts to increase productivity of the Tri-Rail shuttle bus system. An executive summary of the proposed Final Draft SFRTA Five Year Shuttle Bus Service and Financial Plan is included as Exhibit 1. The Final Draft SFRTA Five Year Shuttle Bus Service and Financial Plan FY 2014 - FY 2018 is included as Exhibit 2.

As previously mentioned, the shuttle bus system is constantly monitored and evaluated. For the most current rankings and route alignments, the SFRTA Shuttle Bus Evaluation Matrix is included as Exhibit 3. In addition, maps for all shuttle bus routes are included as Exhibit 4.

Final Draft SFRTA Five Year Shuttle Bus Service and Financial Plan Summary

Since the previous Five Year Shuttle Bus Service and Financial Plan was approved by the SFRTA Governing Board, the SFRTA shuttle bus program has experienced record ridership, with just over one million riders system-wide in the last year. The shuttle bus program has fostered successful partnerships, implemented route modifications, and increased visibility through improved marketing, new route maps and website improvements.

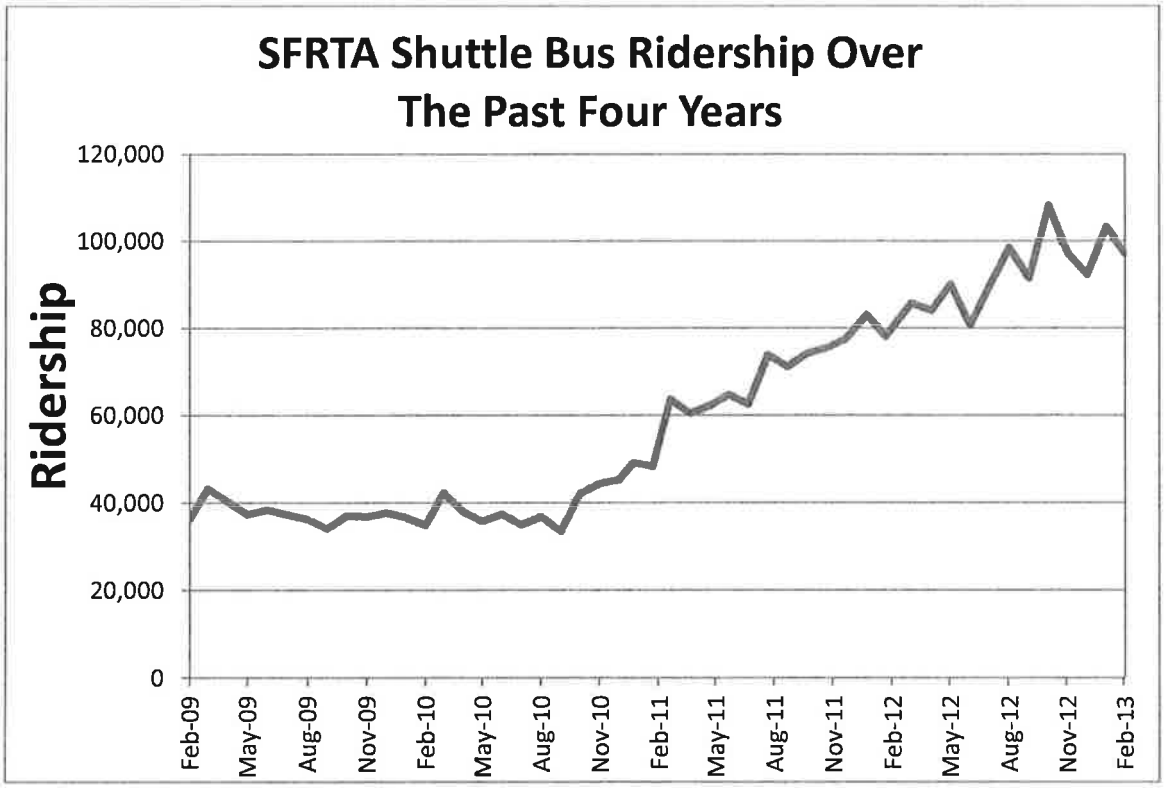
With surging ridership, there is a need to add capacity on some routes. There is also a need to enhance shuttle bus service to match up with newly expanded weekend rail service. Some of the highlights and changes of the new Five Year Shuttle Bus Service and Financial Plan include:

- Additional peak period service on Fort Lauderdale Shuttle Route 1
- Increased service on weekend shuttle bus routes to match new hourly train service
- Continuation of existing shuttle bus partnerships
    - Arvida Park of Commerce
    - Downtown Fort Lauderdale Transportation Management Association (DFLTMA)
    - City of Opa-Locka
    - South Florida Education Center
- A new partnership with the City of Delray Beach to partially fund enhancements to the Delray Beach CRA Roundabout Shuttle
- A planned three-way partnership for funding of a new Boynton Beach Shuttle Route
- No further pursuit of an SFRTA operated shuttle bus route serving the Hollywood Tri-Rail Station, downtown Hollywood, Hallandale Beach, and Aventura.
- Anticipated additional two years of JARC funding for FL2, FL3, and Opa-Locka South

The SFRTA has several JARC-funded routes (FL-2, FL-3, Opa-Locka South) that will be impacted by the discontinuation of JARC funding after FY 2016. The Wave Modern Streetcar, scheduled for operational service in FY 2017, duplicates the routes of the two Fort Lauderdale JARC routes and any impact will be mitigated by the new service. The Opa-Locka South shuttle, another JARC-funded route, will need new funding-level partnerships at the outset of FY 2017 to continue current service levels.

The SFRTA Planning and Operations departments actively monitor shuttle bus system performance to ensure that all routes meet the minimum standard of seven (7) passengers-per-hour, which was previously recommended and endorsed by the PTAC. The attached SFRTA Shuttle Bus Evaluation Matrix (Exhibit 3) shows the ranking of all shuttles routes operated and/or funded by the SFRTA. Currently all 19 routes are exceeding the minimum performance standard of seven (7) passengers-per-hour. Shuttle bus maps for services currently in operation can be viewed online at http://www.tri-rail.com/shuttles.

Since 2009, the SFRTA shuttle bus system has seen consistent year-over-year ridership increases. Over the past two years, monthly ridership has more than doubled from approximately 48,000 to nearly 100,000. Below is a graph which depicts ridership growth from February 2011 thru February 2013.



This Five Year Shuttle Bus Service and Financial Plan was endorsed by the SFRTA PTAC at the March 20, 2013 meeting and is contingent upon Board approval of the SFRTA FY 2013-2014 Operating Budget.

Operating Costs are 2013 agency costs shown in FY 2013 of Adopted 13-17 Plan

Updated 4/5/2013

Notes:

Delray Beach FY 2013 Costs are based on annual potential NTE agreement amount

APOC routes are annualized based on eight-month ridership

Average daily ridership is calculated by dividing annual ridership by 261 (weekdays) or 104 (weekends).

Annual operating hours are not used for ranking purposes, only for calculating passengers per hour, and are based on Dec 2012 service levels.

Annual operating cost only includes the cost incurred by SFRTA.

AGENDA ITEM NO. I-2

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
GOVERNING BOARD MEETING: APRIL 26, 2013
AGENDA ITEM REPORT

☒ Information Item ☒ Presentation

SFRTA TRANSIT DEVELOPMENT PLAN (TDP)
FY 2014-2023 MAJOR UPDATE

SUMMARY EXPLANATION AND BACKGROUND:

The State of Florida Public Transit Block Grant Program was enacted by the Florida Legislature to provide a stable source of state funding for public transportation. The Block Grant Program requires the South Florida Regional Transportation Authority (SFRTA) to develop and adopt a major update on its Transit Development Plan (TDP) every five years. SFRTA is currently preparing its 10-year TDP, which will cover fiscal years 2014 through 2023. This TDP update must be submitted to the Florida Department of Transportation (FDOT) by September 1, 2013.

The TDP is a strategic guide for public transportation agencies for a 10-year period. It represents SFRTA's vision for public transportation in its service area during this time period. Since the last major TDP update completed five years ago, SFRTA has taken a more prominent role in the facilitation of regional transportation projects, in addition to operating Tri-Rail and the shuttle bus services connecting to Tri-Rail. Some of these regional initiatives include increased park-and-ride capacity; procurement of new locomotives and railcars; implementation of the Easy Card system; sponsoring the design and construction of The Wave Modern Streetcar Project (Fort Lauderdale's downtown streetcar project); and facilitating plans to extend Tri-Rail commuter rail operations on to the Florida East Coast (FEC) Railroad tracks.

In January, SFRTA issued a Notice to Proceed to general planning consultant Tindale-Oliver and Associates, Inc. to lead development of the TDP Major Update. The consultant will present to the SFRTA Governing Board an overview of the TDP Major Update process, schedule, and public outreach plans.

2014-2023 Transit Development Plan

SFRTA: Moving Our Region Forward

presented to:

SFRTA Governing Board
April 26, 2013

presented by:

Tindale-Oliver & Associates, Inc.
Planning and Engineering

HNTB

FTE

TDP Purpose

- 10-Year timeframe
- Annual Progress Report
- Major Update every 5 years
- Assess previous plan
- Prioritize improvements
- Update financial plan
- Meet FDOT requirement

TDP Overview

- Sets the vision
- Strategic, 10-year plan
  - Public outreach
  - Demographics/travel behavior
  - Existing transit service
  - Transit demand/mobility needs
  - Improvements
  - 10-year implementation/financial plan

Project Background

- Since the last Major Update
  - Regional park-n-ride
  - Sustainable efforts
  - The Wave
  - Coastal service on FEC
  - New rolling stock
  - Shuttle bus growth
  - Corridor dispatch & maintenance agreement

Project Objectives

SFRTA
MOVING OUR REGION
FORWARD

- Reinvigorate identity
- Reassess the mission
- Continue building partnerships
- Address needs of growing, dynamic region
- Refine/update 10-yr vision
- Identify potential revenue sources

Role of PTAC

- External Review Committee
- Technical review during TDP process
- Three presentations:
  - Project Introduction (February)
  - Needs Identification (April)
  - Final Recommendations (June)
- Workforce board representatives invited

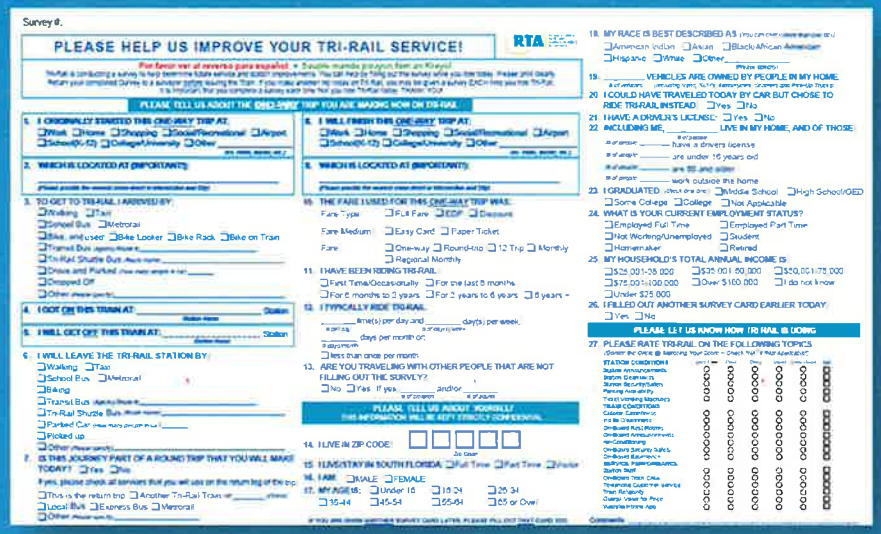
Public Involvement Activities

- On-board survey
- SFRTA outreach efforts
- Branding
- Project website
- Stakeholder database
- Platform interviews
- Presentation boards
- Online survey
- *OnBoard* newsletter
- Meetings and presentations

Public Involvement Activities

SFRTA MOVING OUR REGION FORWARD

- **On-board Survey**
  - February 13, 2013
  - 5,780 surveys
  - Travel and satisfaction



PLEASE HELP US IMPROVE YOUR TRI-RAIL SERVICE!

RTA

- **SFRTA Outreach**
  - Press Release
  - Stakeholder database
  - Street events
  - Job and benefit fairs
  - Community events
  - Other public outreach events

Public Involvement Activities

- Project Branding

SFRTA MOVING OUR REGION FORWARD

SFRTA: Moving Our Region Forward (SFRTA Forward) is a strategic plan that will present the vision of the South Florida Regional Transportation Authority (SFRTA) to promote transit growth and improvement over the next decade (2014-2023). Your ideas of improved service, transportation needs, and new initiatives are needed to make the SFRTA Forward plan a success. We look forward to your input to set the vision of SFRTA for the next 10 years!

*1. Which of these public transportation services in the South Florida region have you used at least once in the last 12 months? (check all that apply)

- Tri-Rail
- Broward County Transit bus service
- Miami-Dade Transit bus service
- Miami-Dade Transit Metromover
- Miami-Dade Transit Metrorail
- Palm Tran bus service
- Carpool/vanpool services
- Other (please specify below): (e.g., paratransit, community/downtown circulators, beach trolley, etc.)
- I have not used any public transportation in the South Florida Region in the last 12 months

If you selected Other above, please specify here

carpool

SFRTA MOVING OUR REGION FORWARD

SFRTA Needs Your Input!

What is *SFRTA: Moving Our Region Forward*?
The South Florida Regional Transportation Authority (SFRTA), the public agency that operates Tri-Rail commuter rail and its shuttle buses, has started the process to update its 10-year Transit Development Plan (TDP), and we need your input!

SFRTA: Moving Our Region Forward is the strategic plan that will lay out the vision of the agency for the next decade (2014–2023). The ***SFRTA Forward*** process presents a great opportunity for the agency to reinvigorate its identity and reassess its mission, address the mobility needs of a growing and dynamic region, and continue building partnerships to advance transportation projects in the tri-county region (Miami-Dade, Broward, and Palm Beach) and beyond.

Why do we need your input?
It is important for us to learn more about your public transportation needs and issues and those of the people and organizations you represent in the South Florida region. ***What improvements or initiatives do you believe should be priorities for SFRTA over the next 10 years?*** Click here to take our short survey, and don't miss this opportunity to tell us how SFRTA can help address mobility in the region.

How can you get involved?
Visit www.SFRTAForward.com to submit your ideas.

Public Involvement Activities

- **Social Media Outreach**
  - Partner agencies' Facebook and Twitter posts

- **OnBoard Newsletter**

Public Involvement Activities

SFRTA MOVING OUR REGION FORWARD

- **Platform Interviews/Intercept Surveys**
  - Tue 3/19, Thu 3/21, and Sat 4/6
  - Display Boards/Fact Sheet
  - Over 700 completed!

Public Involvement Activities

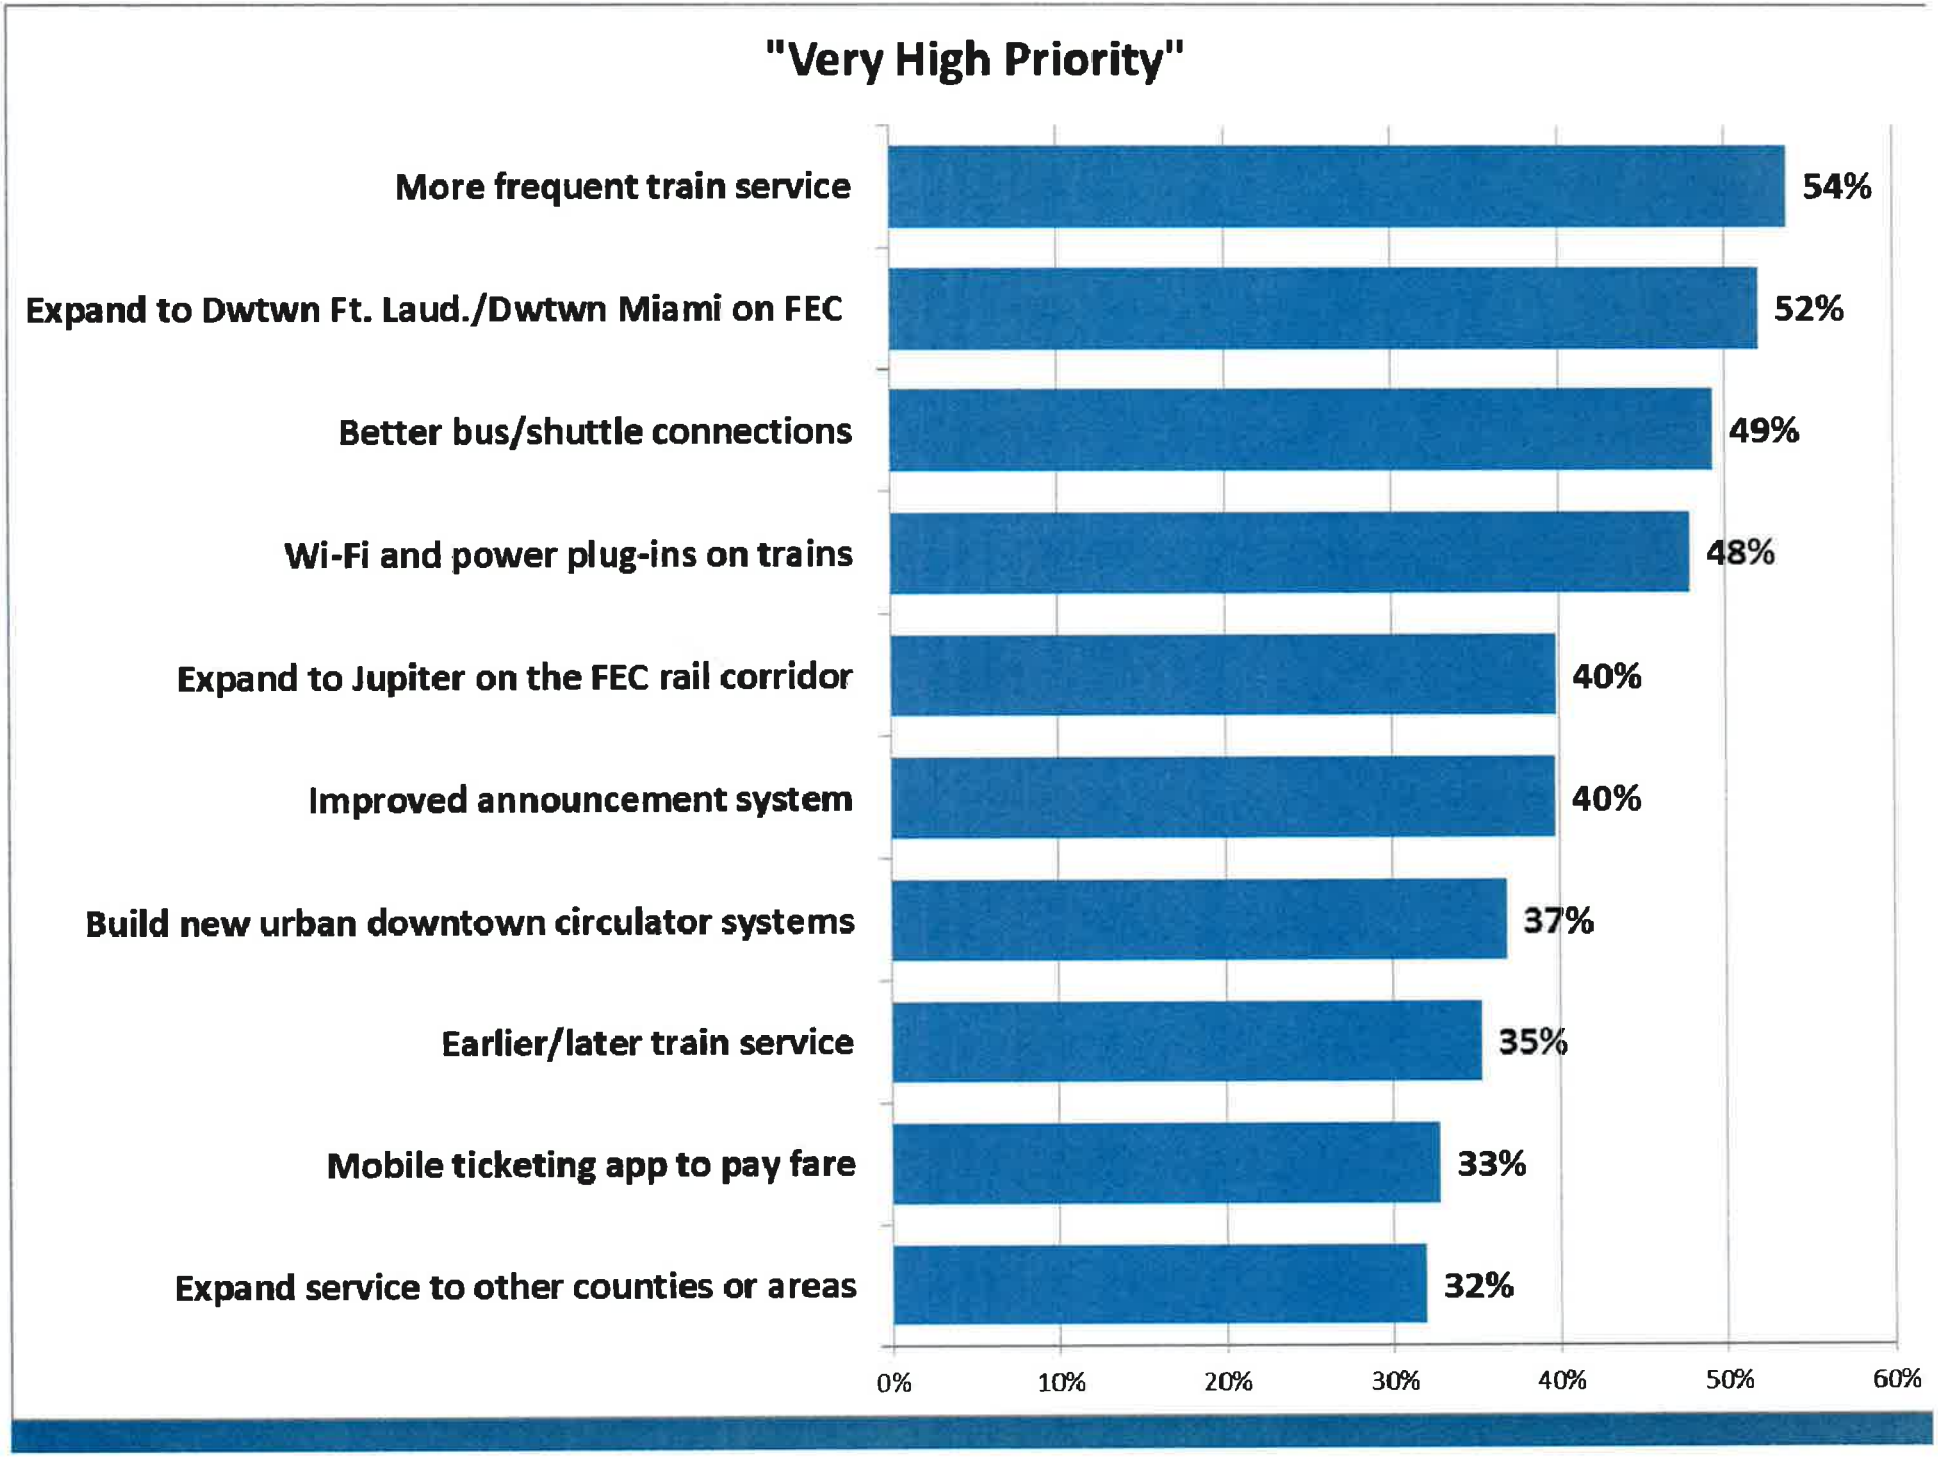
- Meetings and presentations
  - PTAC (External Review Committee)
  - SFRTA Governing Board
  - MPO Boards and Committees
  - Others

Priorities Exercise

SFRTA MOVING OUR REGION FORWARD

What improvements or initiatives should be priorities for SFRTA over the next 10 years?

	Improvements/Initiatives Ideas	Weighted Score
1	**Expand service to FEC tracks**	**36**
2	**Transit Oriented Development around stations**	**14**
3	**Real Time information (mobile app and at platforms)**	**13**
4	**Better connections to final destinations**	**12**
5	**Improve bike and ped connections**	**10**
	Have wi-fi and power plugs on new cars	8
	Develop underutilized Miami-Dade rail corridors	6
	Double daily ridership	6
	Better circulation aroud MIA/MIC station	4



"Very High Priority"
More frequent train service
54%
Expand to Dwtwn Ft. Laud./Dwtwn Miami on FEC
52%
Better bus/shuttle connections
49%
Wi-Fi and power plug-ins on trains
48%
Expand to Jupiter on the FEC rail corridor
40%
Improved announcement system
40%
Build new urban downtown circulator systems
37%
Earlier/later train service
35%
Mobile ticketing app to pay fare
33%
Expand service to other counties or areas
32%

Draft Goals

SFRTA
MOVING OUR REGION
FORWARD

1. Maximize performance, reliability, efficiency and capacity of the existing system
2. Improve the SFRTA/Tri-Rail passenger experience
3. Continue utilization of private sector contractors for majority of SFRTA services and operations
4. Improve connecting transit and transportation services

Draft Goals & Objectives

SFRTA MOVING OUR REGION FORWARD

5. Take an active leadership role in expanding premium transit in the region
6. Pursue funding opportunities to support both the existing system and expanded premium transit in the region
7. Develop and pursue partnerships with agencies/entities in both public and private sector

Draft Goals & Objectives

SFRTA MOVING OUR REGION FORWARD

8. Facilitate economic growth and development throughout the region
9. Maximize environmentally sustainable practices for both the current system and expanded premium services in the region
10. Provide leadership in advocacy and education of the need for an expanded regional premium transit system

Project Schedule

AGENDA ITEM NO. I-3

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
GOVERNING BOARD MEETING: APRIL 26, 2013
AGENDA ITEM REPORT

☒ Information Item ☒ Presentation

TRI-RAIL COASTAL LINK ON FEC CORRIDOR

SUMMARY EXPLANATION AND BACKGROUND:

On October 28, 2011, the South Florida Regional Transportation Authority (SFRTA) Governing Board received a presentation that introduced the *Fast Start Plan*, a new SFRTA initiative to bring *Tri-Rail Coastal Service* to the Florida East Coast (FEC) Railway corridor in an accelerated manner. The Fast Start Plan proposed an aggressive development schedule that would create sorely needed construction jobs, provide sustained economic development opportunities, and offer a long awaited new mobility option that would extend the existing Tri-Rail system to directly serve the region's major downtowns.

A detailed follow up presentation on Tri-Rail Coastal Link activities and other related FEC passenger rail efforts was given at the SFRTA Governing Board meeting on September 28, 2012. As part of the September 2012 discussion, the Chair stated that Tri-Rail extension onto the FEC was a top priority and requested that a brief update on FEC passenger rail issues be provided at every Governing Board meeting. As a result, such an update has been provided at subsequent Governing Board meetings.

At the April 26, 2013 Governing Board meeting, staff will provide a brief overview of recent Tri-Rail Coastal Link activities and the ongoing South Florida East Coast Corridor (SFECC) Study process.

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY

CONSTRUCTION OVERSIGHT COMMITTEE

The Construction Oversight Committee did not meet during the Month of March, 2013.

MINUTES
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
PLANNING TECHNICAL ADVISORY COMMITTEE (PTAC) MEETING
FEBRUARY 19, 2013

The Planning Technical Advisory Committee (PTAC) meeting was held at 10:30 a.m. on Tuesday, February 19, 2013 in the Board Room of SFRTA Administrative Office, 800 NW 33rd Street, Pompano Beach, Florida 33024.

COMMITTEE MEMBERS/ALTERNATES PRESENT:

Mr. Bob Cambric, South Florida Regional Planning Council (RPC)
Ms. Monica Cejas, Miami-Dade Transit (MDT)
Ms. Kim Delaney, Treasure Coast RPC
Mr. Wilson Fernandez, Miami-Dade Metropolitan Planning Organization (MPO)
Mr. Paul Flavien, Broward MPO
Ms. Amie Goddeau, Florida Department of Transportation (FDOT) District 4
Mr. Larry Hymowitz, FDOT District 4
Ms. Angela Morlok, Palm Beach MPO
Mr. Joseph Quinty, South Florida Regional Transportation Authority
Mr. Jonathan Roberson, Broward County Transit (BCT)
Ms. Irma San Roman, Miami-Dade MPO
Mr. Phil Steinmiller, FDOT District 6
Mr. Fred Stubbs, Palm Tran
Mr. Randy Whitfield, Palm Beach MPO, Chairman

ALSO PRESENT:

Mr. Steve Anderson, SFRTA
Mr. Bill Ball, Tindale-Oliver
Ms. Loraine Cargill, SFRTA
Mr. Larry Foutz, HNTB
Mr. Paul Hederman, Workforce Alliance
Mr. Mason Jackson, Workforce One – Via teleconference
Ms. Elaine Magnum, SFRTA
Mr. Demian Miller, Tindale-Oliver
Ms. Jessica Vargas, Tindale-Oliver
Ms. Lynda Westin, SFRTA
Ms. Natalie Yesbeck, SFRTA

CALL TO ORDER

The Chair called the meeting to order at 10:35 a.m.

ROLL CALL

The Chair requested the roll call.

DRAFT

PLEDGE OF ALLEGIANCE

AGENDA APPROVAL – Additions, Deletions, Revisions

Mr. Quinty requested to change the order of the agenda in order to accommodate availability of SFRTA Operation staff, resulting in item I2 to go first. A motion was made by Ms. Irma San Roman to approve the agenda with this change. The motion was seconded by Mr. Paul Flavien. The motion was called to a vote and carried unanimously.

DISCUSSION ITEMS - None

MATTERS BY THE PUBLIC – None

CONSENT AGENDA
Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion in the form listed below. If discussion is desired by any Committee Member, however, that item may be removed from the Consent Agenda and considered separately.

C1 – MOTION TO APPROVE: Minutes of Planning Technical Advisory Committee Meeting of January 16, 2013.

Ms. Kim Delaney made a motion to approve the meeting minutes. The motion was seconded by Mr. Jonathan Roberson. The motion was called to a vote and carried unanimously.

REGULAR AGENDA
Those matters included under the Regular Agenda differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion, if so desired.

None.

INFORMATION / PRESENTATION ITEMS
Action not required, provided for information purposes only.

I1. - INFORMATION: Tri-Rail Enhanced Weekend Schedule

Mr. Marcin Gadek of SFRTA Operations staff gave an overview of the new Tri-Rail weekend schedule that will go into effect on March 2, 2013. Mr. Gadek explained that weekend service will increase from 14 trains per day to 30 trains per day, providing one-hour headways and a longer span of service. He also noted that the time allowed for turns at the end of the line in the new schedule will prevent cascading delays from occurring. Mr. Gadek also stated that additional connecting transit on the Tri-Rail weekend shuttle bus services, Palm Tran Route 44, and MDT Route 133 will also begin. Mr. Paul Flavien asked if the Tri-Rail smart phone app is being changed to reflect the new service. SFRTA staff replied that yes, the app will be updated to show the new weekend schedule.

I2. - INFORMATION: SFRTA Transit Development Plan (TDP) Major Update

Ms. Natalie Yesbeck Pustizzi of SFRTA Planning staff introduced TDP project consultant Bill Ball of Tindale-Oliver. Mr. Ball gave a slideshow presentation overview of the SFRTA Transit Development Plan (TDP) Major Update process and schedule. His presentation started by describing why a TDP is required. It followed with an overview of what the 10-year plan will include, some updates since the last SFRTA TDP Major Update, and the objectives to be accomplished with this TDP. The consultant project team was presented and the role of the PTAC and the Workforce Development Board representatives serving as the External Review Committee (ERC) was explained. An overview of the Scope of Work followed with a more detailed description of the public involvement activities proposed to be conducted during the development of the plan. The presentation concluded with the project schedule and a list of the next steps to be completed in the next month.

A question and answer session was held following the presentation. The following comments were received from the ERC after the presentation and shown in **bold**. The responses by the TDP project team are presented in *italics*.

What is the plan about? What will come out of the plan?

The TDP will identify short-term fixes, markets not being served, and global issues with the public transportation system in the region (not limited to Tri-Rail and its services). It will produce a long-term list of public transportation needs which will bring attention to those needs and present a plan to find solutions for those needs.

What will be asked to Tri-Rail riders on the intercept surveys?

The survey instrument has not been developed yet, as the input from the ERC members will be taken into consideration. For the last major update, the intercept survey instrument included a list of improvements categorized by timeframe: short-term (1-2 years), mid-term (3-5 years), long-term (more than 5 years) for riders to select the improvements they would like to see implemented in the future. The instrument is more qualitative and not quantitative like the on-board survey completed recently on February 13, 2013.

How is the TDP taking into consideration the Regional Transit Needs Plan that will be prepared for the Regional Long Range Transportation Plan (RLRTP), scheduled to be ready by November 2013?

Given the Regional Transit Needs Plan will not be complete until November, the TDP will incorporate the information that is available by the summer when the Draft TDP will be completed. The TDP could feed into the Regional Transit Needs Plan so the transit needs identified in the TDP are considered and included in the RLRTP. It is important to keep all of these plans consistent and coordinated as much as possible to share resources.

How are the non-riders' opinions and transit needs going to be gathered?

Non-rider feedback will primarily be collected via the online platforms and tools (website, online surveys, and email blasts). A stakeholder database is going to be developed that will include riders and non-riders. It is expected that the databases of other partner agencies will be shared or at least the TDP information will be shared with other partners' mailing lists.

Employers' and employees' perspective is important to be collected given they are a large portion of Tri-Rail's ridership.

Tri-Rail is an employment-based system and it already works with many employers in the region through its Employer Discount Program (EDP) participants. The representatives of the Workforce Development Boards could also identify the Human Resources directors and other employment-based associations who can help spread the word among the business and economic development community (e.g. Chambers of Commerce).

The TDP public involvement plan, in addition to the proposed online and website outreach, should piggy back with the upcoming LRTP public outreach events.

Yes, the TDP will coordinate with the upcoming LRTP public involvement events to the extent that these efforts are completed within the timeframe of the TDP schedule.

Are there any plans to use social media tools to reach the younger population? This population does not check email anymore and reaching them may be better via social media networks like Facebook and Twitter.

Current SFRTA policy does not include Facebook or Twitter. Limited use of social media is being considered by SFRTA. The TDP project website can be posted on universities and other stakeholders' Facebook pages to obtain feedback from those in social networks (e.g., Miami-Dade College and Florida Atlantic University pages).

There are many surveying efforts going on in the region for each of the different transportation projects being studied. Is there consistency in the questions asked in the survey instruments being used?

The SFRTA on-board survey used the same type of travel behavior related questions typically used in on-board surveys around the region by FDOT and other partners. FTA's new Title VI guidelines also require socio-economic questions in all transit surveys, so there is consistency in socio-economic related questions. The goal is to maintain consistency across the survey efforts so results can be used in regional planning efforts as well.

The Regional Long Range Transportation Plan will identify transit needs for the region, how will the SFRTA TDP coordinate with this effort?

The SFRTA TDP will also identify needs for its 10-year plan and those needs will feed into the RLRTP Transit System Plan that has a 25-year horizon.

Priorities Exercise

After all the comments related to the Project Introduction presentation were addressed, an interactive exercise with the ERC members was conducted. The focus of the exercise was presented with a simple phrased question: "What improvements or initiatives should be priorities for SFRTA over the next 10 years?"

The first step of the exercise asked ERC members to call out their improvement/initiative ideas, while the Project Team recorded them on flip charts as they were generated. A total of 22 ideas were suggested as priorities for SFRTA in the next 10 years (see Table 1). Second, the 22 ideas were read aloud, clarified as appropriate, and a number was assigned to each idea. Third, ERC members were instructed to select their top three favorite ideas and record these improvements/initiatives on the exercise sheet provided (see Attachment C). The ERC members were given approximately five minutes to complete this step, and they did so silently and independently.

While the PTAC continued with its agenda items, the exercise sheets were collected and the priority voting reviewed. A weighted score was assigned to each participant's idea in the following manner: the highest ranked initiative or improvement (i.e., ranked #1) received a score of three, the second ranked idea received a score of two, and the third ranked idea received a score of one. In this manner, all of the votes were scored and totals were tallied to identify the top five ranked priorities. The results of the vote were then recorded in an Excel spreadsheet to provide a permanent record of the voting process and results. Last, the results were presented to the ERC members for their consideration. Table 1 summarizes all of the priority ideas identified by the ERC members during the exercise, along with the results of the voting and prioritization process.

(See table on next page)

"What improvements or initiatives should be priorities for SFRTA over the next 10 years?			
#	Improvements/Initiatives Ideas	Weighted Score	Final Prioritization
1	Expand Tri-Rail service to FEC tracks	36	1
7	Support Transit Oriented Development (redevelopment/mixed-use) around stations	14	2
4	Real Time Information on the mobile app and at platforms	13	3
3	Better connections to final destinations from Tri-Rail	12	4
17	Improve bike and ped connections to stations	10	5
2	Have wi-fi and power plugs on new cars	8	
9	Develop underutilized Miami-Dade rail corridors	6	
16	Double daily ridership	6	
8	Better circulation aroud MIA/MIC station	4	
10	Install bathroom at stations	4	
11	Expand peak hour hours	4	
20	Expand service to Monroe and Martin/St. Lucie Counties	4	
18	Station at Palm Beach International Airport	3	
15	Level boarding with All Aboard passenger trains	2	
5	Mobile ticketing app to purchase fare media	0	
6	Clear announcements inside trains and at platforms	0	
12	Consider Transit Oriented Retail investments	0	
13	Have a dedicated car for bikes	0	
14	Consider elevated bike tubes with A/C like in Korea	0	
19	Install bike sharing stations and Tri-Rail stations	0	
21	Vehicle charger and/or natural gas stations at Tri-Rail stations	0	
22	Peoplemover to easily get around the interior of cities with parking on the periphery	0	

As summarized in Table 1, the top five priorities for SFRTA to focus on in the next 10 years were determined by the ERC members through this process. The top five priorities are reiterated below:

1. Expand Tri-Rail service to the coastal FEC tracks (36 points)
2. Support Transit-Oriented Development (TOD) initiatives (redevelopment/mixed-used) around stations (14 points)
3. Real time train arrival information on Tri-Rail mobile application and on train platform (13 points).
4. Better connections to final destinations (12 points)
5. Improved bicycle and pedestrian access to stations (10 points)

In addition, to determine whether the weighting of the ideas had an impact on the priorities, the results were also calculated using an equal weighting of 1 point for each idea selected by the participants. The results of the un-weighted priorities are presented in Table 2. While the order changed slightly, the top five priorities/initiatives are essentially the same in both calculations:

"What improvements or initiatives should be priorities for SFRTA over the next 10 years?			
#	Improvements/Initiatives Ideas	Unweighted Score	Final Prioritization
1	Expand Tri-Rail service to FEC tracks	13	1
7	Support Transit Oriented Development (redevelopment/mixed-use) around stations	8	2
3	Better connections to final destinations from Tri-Rail	8	2
4	Real Time Information on the mobile app and at platforms	7	4
17	Improve bike and ped connections to stations	5	5
2	Have wi-fi and power plugs on new cars	5	5
9	Develop underutilized Miami-Dade rail corridors	3	
16	Double daily ridership	3	
8	Better circulation aroud MIA/MIC station	2	
10	Install bathroom at stations	2	
11	Expand peak hour hours	2	
20	Expand service to Monroe and Martin/St. Lucie Counties	2	
18	Station at Palm Beach International Airport	2	
15	Level boarding with All Aboard passenger trains	1	
5	Mobile ticketing app to purchase fare media	0	
6	Clear announcements inside trains and at platforms	0	
12	Consider Transit Oriented Retail investments	0	
13	Have a dedicated car for bikes	0	
14	Consider elevated bike tubes with A/C like in Korea	0	
19	Install bike sharing stations and Tri-Rail stations	0	
21	Vehicle charger and/or natural gas stations at Tri-Rail stations	0	
22	Peoplemover to easily get around the interior of cities with parking on the periphery	0	

Summary of Presentation and Priorities Exercise

In summary, the priorities exercise was conducted to obtain consensus from the ERC members regarding the list of priorities that SFRTA should focus on in the next year. Numerous suggestions were made, all of which were recorded and prioritized by the ERC members. The final results reflect the five most important improvements or initiatives for SFRTA in the next decade from the perspective of the ERC members. The initiative and improvement priorities identified through this process will be considered in the needs assessment and alternatives evaluation for the SFRTA TDP Major Update.

I3. - <u>INFORMATION</u>: Palm Beach & Treasure Coast FEC Corridor Quite Zone Discussions

Ms. Kim Delaney presented this item, and began by noting that ongoing plans to bring new passenger service to the FEC Railway corridor have generated extensive discussion about the process and requirements to implement quiet zones. Ms. Delaney spoke about a workshop on this topic that was held on January 30 and a presentation to the Palm Beach MPO Technical Advisory Committee (TAC) on February 6. She also noted that the Palm Beach MPO Board will hear about this issue at its February meeting. Ms. Delaney explained that cities have expressed an interest in having a coordinated corridor length quiet zone analysis and effort rather than a piecemeal approach. However, a number of challenges were cited, including funding and some language included in current Federal quiet zone regulations. It

was noted that this discussion is beginning to spread beyond Palm Beach County, with a number of Broward County and Saint Lucie County communities also expressing interest.

OTHER BUSINESS:

None.

PTAC MEMBER COMMENTS

Numerous committee members expressed their gratitude to PTAC Chairman and Palm Beach MPO Director Randy Whitfield, who is retiring at the end of February. SFRTA staff also noted that Mr. Whitfield has been the only PTAC Chair throughout the committee's existence.

ADJOURNMENT

The meeting was adjourned at 12:07 PM.

MINUTES
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
PLANNING TECHNICAL ADVISORY COMMITTEE (PTAC) MEETING
MARCH 20, 2013

The Planning Technical Advisory Committee (PTAC) meeting was held at 10:30 a.m. on Wednesday, March 20, 2013 in the Human Resources Training Room of SFRTA Administrative Office, 800 NW 33rd Street, Pompano Beach, Florida 33064.

COMMITTEE MEMBERS/ALTERNATES PRESENT:

Ms. Lois Bush, Florida Department of Transportation (FDOT) District 4
Ms. Monica Cejas, Miami-Dade Transit (MDT)
Mr. William Cross, South Florida Regional Transportation Authority (SFRTA)
Ms. Kim Delaney, Treasure Coast Regional Planning Council (RPC)
Mr. Wilson Fernandez, Miami-Dade Metropolitan Planning Organization (MPO)
Mr. Paul Flavien, Broward MPO
Ms. Angela Morlok, Palm Beach MPO
Mr. James Murley, South Florida RPC
Mr. Joseph Quinty, SFRTA
Mr. Jonathan Roberson, Broward County Transit (BCT)
Mr. Phil Steinmiller, FDOT District 6
Mr. Fred Stubbs, Palm Tran
Mr. Jeff Weidner, FDOT District 4

ALSO PRESENT:

Mr. Steve Anderson, SFRTA
Ms. Sharon Cino, Renaissance Planning Group
Mr. Raymond Freeman, FDOT District 6
Mr. Sorin Garber, T.Y. Lin
Ms. Elaine Magnum, SFRTA
Ms. Mary Ross, Gannett Fleming
Mr. Myung Sung, Gannett Fleming
Ms. Jessica Vargas, Tindale Oliver
Ms. Lynda Westin, SFRTA
Ms. Natalie Yesbeck, SFRTA

CALL TO ORDER

The Vice- Chair called the meeting to order at 10:40 a.m.

ROLL CALL

The Vice-Chair requested the roll call.

PLEDGE OF ALLEGIANCE

DRAFT

AGENDA APPROVAL – Additions, Deletions, Revisions

Mr. Quinty requested to add item I5 – Passenger Rail MOU Status. A motion to add this new item was made by Ms. Monica Cejas. The motion was seconded by Mr. Fred Stubbs. The motion was called to a vote and carried unanimously.

DISCUSSION ITEMS

MATTERS BY THE PUBLIC – None

CONSENT AGENDA
Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion in the form listed below. If discussion is desired by any Committee Member, however, that item may be removed from the Consent Agenda and considered separately.

C1 – MOTION TO APPROVE: Minutes of Planning Technical Advisory Committee Meeting of February 19, 2013.

Ms. Monica Cejas made a motion to approve the meeting minutes. The motion was seconded by Mr. Paul Flavien. The motion was called to a vote and carried unanimously.

REGULAR AGENDA
Those matters included under the Regular Agenda differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion, if so desired.

R1. - MOTION TO ELECT: PTAC Chair and Vice-Chair

Mr. Joseph Quinty, current PTAC Vice-Chair introduced this item, noting that due to the recent retirement of Palm Beach MPO Director Randy Whitfield, the position of PTAC Chair is now vacant. Mr. Quinty stated that SFRTA By-Laws call for committees to following the same succession guidelines as the Governing Board, resulting in the need for election of officers through the remainder of the 2012-2013 fiscal year, which ends June 30, 2013.

Mr. Wilson Fernandez nominated Ms. Kim Delaney as PTAC Chair and made a motion to that effect. No other nominations were made. The motion was seconded by Mr. Paul Flavien. The motion was called to a vote and carried unanimously.

Mr. Paul Flavien nominated Mr. Joseph Quinty as Vice-Chair. No other nominations were made. The motion was seconded by Mr. James Murley. The motion was called to a vote and carried unanimously.

Mr. Jeff Weidner asked if there was an official SFRTA policy to have other agency representatives serve as chair of SFRTA committees, with SFRTA staff serving as vice-chair. Mr. Quinty replied that he had done research of the agency by-laws and asked senior staff about such a policy. Mr. Quinty stated that the practice of SFRTA staff limited to being vice-chair of committees appears to be a preference, but not an official adopted policy. Both Mr. Weidner and Mr. Wilson Fernandez said that they recalled this

practice being formalized shortly after SFRTA's creation. Mr. Quinty and Mr. William Cross agreed to do further research to help inform the next election of officers later this year.

R2. – <u>MOTION TO ENDORSE</u>: SFRTA Five-Year Shuttle Bus Service and Financial Plan

Mr. Joseph Quinty provided a brief introduction of the item before handing it over to Mr. Stephen Anderson of SFRTA Planning staff. Mr. Quinty stated that in recent years SFRTA staff has been bringing the Tri-Rail shuttle bus planning process through the PTAC and this is the 2nd or 3rd time that PTAC approval is being asked for formal approval of a Five Year Shuttle Bus Service and Financial Plan. Mr. Anderson then gave a powerpoint presentation that provided an overview of changes since last year's plan. He stated that the shuttle bus system has become more efficient and productive, with just over one million boardings system-wide in the last year. His presentation noted that the shuttle bus program has fostered successful partnerships, implemented route modifications, has had increased visibility through improved marketing, new route maps and website improvements. Mr. Anderson also stated that surging ridership has created a need to add capacity on some routes, particularly the FL 1. He noted this being the cause of an increased funding allocation for the FL 1 and also provided details on the various components of the Five Year Shuttle Bus Service and Financial Plan spreadsheet.

Mr. Weidner asked about funding in the FDOT work program for transit signal priority (TSP) hardware for Broward Blvd on the FL 1 shuttles. Mr. Cross and Mr. Anderson were not aware of those details, but agreed to look into it further. Mr. Paul Flavien suggested that a mid-day Cypress Creek service should be implemented. He also suggested that better marketing of the shuttle bus connections is needed, as he feels many riders and the public are not aware of the routes. Ms. Angela Morlok asked why there are so few shuttle routes in Palm Beach County and suggested that more should be added. There was broad committee discussion and interest in having an expanded shuttle bus system beyond what is shown in the Five Year Plan. Mr. Cross and Mr. Anderson explained that the ongoing Transit Development Plan (TDP) process will be the opportunity to identify needs in years six through ten. There was also committee discussion on re-wording a few items on the spreadsheet and further highlighting the need for increased local match on certain routes in the plan's outer years.

Mr. Weidner made the motion to endorse the SFRTA Five Year Service and Financial Plan. The motion was seconded by Mr. Paul Flavien. The motion was called to a vote and carried unanimously.

INFORMATION / PRESENTATION ITEMS
Action not required, provided for information purposes only.

I1. - <u>INFORMATION</u>: Update on Job Access Reverse Commute (JARC) & New Freedom (NF) Process

Ms. Natalie Yesbeck Pustizzi provided an update on the JARC and NF process. She noted that the original plan was to have the selection process at this current meeting, but it has been pushed back to April 10, 2013. Ms. Yesbeck Pustizzi stated that all of the JARC and NF applications are now available on the SFRTA website and that PTAC members can begin their review. She explained that there were 20 total applications, with ten for each program. There is $3.6 million available for JARC, but funding requests that have been received are almost double the amount. For NF, $2.0 million is available, and there has been approximately $4 million requested. She also noted that there are many new applicants for both programs.

Mr. Quinty asked for committee direction on when the start time should be for the JARC and NF review at the next PTAC Meeting. He noted that in past years there has been lengthy discussion and extended or earlier meeting times. The committee reached consensus on a start time of 9:30 AM for the April 10 PTAC meeting.

I2. - <u>INFORMATION</u>: SFRTA Transit Development Plan (TDP) FY 2014-2023 Major Update

Mr. Natalie Yesbeck Pustizzi provided a brief update on the SFRTA's new TDP Major Update. She stated that the TDP's Public Involvement Plan (PIP) was approved by FDOT District 4 last week. Ms. Yesbeck Pustizzi also mentioned that the project team will be doing platform interviews and surveys at select stations beginning this week. She also stated that the project website went live yesterday. The site is www.SFRTAForward.com and all committee members were encouraged to visit it. She also noted that the website has a survey component to help inform the project. It was also announced that TDP information was recently provided to Tri-Rail passengers in the current monthly onboard newsletter. A more in-depth presentation on TDP progress is scheduled to occur at the April PTAC meeting.

I3. - <u>INFORMATION</u>: Joint SFRTA/ULI Event – "Development Opportunities on the FEC Corridor: An interactive Forum"

Mr. Quinty provided an overview of a joint SFRTA and Urban Land Institute (ULI) event to facilitate development at future Florida East Coast (FEC) Railway corridor station sites. He noted that after further coordination, the initial planned date has been changed to April 17. It was mentioned that a flyer containing event agenda details should be available by the end of this week. Mr. Quinty expressed excitement about ULI's involvement and the participation of some high profile developers.

I4. - <u>INFORMATION</u>: Transit Oriented Development (TOD) Planning Discussion

A. Reconnecting America Peer Exchange Summary
B. Proposed Regional TOD Research and Outreach

Ms. Lynda Westin of SFRTA staff gave an overview of the recent Reconnecting America Financing TOD and Infill Supportive Infrastructure Peer Exchange event that occurred on February 26 and 27. Ms. Westin thanked Miami-Dade County for hosting the event and for the strong participation and outcomes. She also noted that there was a regional discussion tailored to South Florida at the close of the workshop. One of the outcomes of the workshop was to have a standing TOD agenda item at SFRTA's monthly PTAC meeting, to encourage regular discussion on the topic. Another recommendation was to create a series of maps and a database identifying the region's potential TOD locations. It was noted that the two RPCs would be getting started on the map and database development.

Mr. Fernandez mentioned the importance of thinking big picture and focusing on entire corridors, not just individual sites or nodes. Chairperson Delaney said that there is a great deal of TOD activities in the region, it just needs to be better organized. Ms. Lois Bush expressed an interest in developing a regional clearinghouse. Mr. Weidner expressed a desire to see more cities get directly involved in TOD coordination efforts. Chairperson Delaney mentioned a desire for the recently completed FDOT TOD Guidelines to be put to better use. She expressed optimism that working through the PTAC would help make TOD issues and coordination easier for local governments.

I5. - INFORMATION: Passenger Rail Memorandum of Understanding (MOU)

Chairperson Delaney gave a slideshow presentation on progress being made on the Memorandum of Understanding (MOU) for the ongoing South Florida East Coast Corridor (SFECC) Study. She noted that key direction came out of the recent Steering Committee meeting held on March 4 and are being incorporated into the latest draft MOU. Some these key issues and highlights mentioned by Chairperson Delaney are:

- Study/Project to be renamed "Tri-Rail Coastal Link"
- FECI indicated they were not interested in operating commuter service
- SFRTA to be identified as project sponsor and operator (per statute) or regional transportation service
- An updated process and timeline chart has been produced
- A new committee and sub-committee structure has been developed
- FECI indicated strong interest in tri-party negotiations with FDOT & SFRTA by mid-2013
- A MOU adoption schedule has been developed that will begin with SEFTC on April 22 and be approved by all parties by the end of May

ADJOURNMENT

The meeting was adjourned at 12:22 PM.

AGENDA ITEM NO. C1

MINUTES
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
RTA MARKETING COMMITTEE MEETING OF MARCH 20, 2013

The RTA Marketing Committee Meeting was held at 2:00 p.m., on Wednesday, March 20, 2013, at the SFRTA's Administrative Offices, 800 NW 33rd Street, Pompano Beach, FL 33064.

COMMITTEE MEMBERS PRESENT - via teleconference
Phyllis Berry, Broward County Transit
Robyn Chiarelli, Florida Department of Transportation

COMMITTEE MEMBERS NOT PRESENT
Bobbie, Crichton, Miami Dade Transit
Lili Finke, Palm Tran
Diane Hernandez Del Calvo, (Vice Chair) SFRTA/Tri-Rail

ALSO PRESENT
Victor Garcia, SFRTA/Tri-Rail (alternate voting member) (in person)
Robyn Hankerson, Bitner Goodman (via teleconference)
Suzell Hopman, South Florida Commuter Services (via teleconference)
Steve Rosenberg, SFRTA/Tri-Rail (in person)
Jim Udvardy, South Florida Commuter Service (via teleconference)

CALL TO ORDER

The Chair called the meeting to order at 2:06p.m.

AGENDA APPROVAL – Additions, Deletions, Revisions

Ms. Berry moved for approval of the Agenda. Ms. Chiarelli seconded.

The Chair called for any discussions and/or opposition to the motion. Upon hearing none, the Chair declared the Agenda approved.

The Chair moved the discussions to the next item on the Agenda.

MATTERS BY THE PUBLIC – Persons wishing to address the Committee are requested to complete an "Appearance Card" and will be limited to three (3) minutes. Please see the Minutes Clerk prior to the meeting.

None.

DISCUSSION ITEMS

None

DRAFT

CONSENT AGENDA
Those matters included under the Consent Agenda are self-explanatory and are not expected to require review or discussion. Items will be enacted by one motion in the form listed below. If discussion is desired by any Committee Member however, that item may be removed from the Consent Agenda and considered separately.

C1 – MOTION TO APPROVE: Minutes of Marketing Committee Meeting of October 17, 2012.

Ms. Berry moved for approval of Item C1. The motion was seconded by Mr. Garcia.

The Chair called for any discussions and/or opposition to the motion. Upon hearing none, the Chair declared Item C1 approved.

The Chair moved the discussions to the next item on the Agenda.

REGULAR AGENDA
Those matters included under the Regular Agenda differ from the Consent Agenda in that items will be voted on individually. In addition, presentations will be made on each motion, if so desired.

None.

INFORMATION / PRESENTATION ITEMS
Action not required, provided for information purposes only.

I1– INFORMATION ITEM: Smart Phone App

- Ms. Chiarelli reported that some progress was made. She attended a preliminary meeting with Victor Garcia and Michael Kanefsky of the SFRTA/Tri-Rail to discuss the possibility of piggybacking on the Tri-Rail app. She stated that she will apprise Ms. Berry and Mr. Udvardy of the discussion with Mr. Garcia and Mr. Kanefsky.
- Ms. Chiarelli further stated that she met with Rosie Perez of MDT and plans to meet with her to also discuss piggybacking options on MDT's app.
- Ms. Chiarelli is working toward creating a timeline within the next month in order to monitor milestones in the creation of the app.
- She asked Ms. Berry whether BCT monitors customer service requests for a BCT app. Ms. Berry stated that at this point such requests have not been tracked, but she will research the past three months to determine with the BCT's Customer Service staff, whether there is interest from the public toward this end.

I2 – INFORMATION ITEM: Regional Fare Card

- Ms. Chiarelli stated that she has been involved with BCT in this project and said that a new SFCS employee, Jeannette Washington, is involved in this project and its funding. 2013 funds will be shifted to 2014.
- The timeline process could take a year to create with the infrastructure being workable on buses by 2014/2015.

I3 – INFORMATION ITEM: "Alert Today Alive Tomorrow" Campaign

- Ms. Chiarelli stated that FDOT's campaign, "Alert Today Alive Tomorrow" was created to improve awareness of pedestrian and bicycle safety. Both FDOT districts IV and VI have mounted an awareness

DRAFT

campaign. There are approximately six to eight times as many pedestrian fatalities over bicycle fatalities.

- All media forms are being used for public visibility
- Mr. Garcia stated that SFRTA/Tri-Rail has had a long-standing relationship with Operation Lifesaver in their efforts to make the public aware of train track safety.

REPORTS
Action not required, provided for information purposes only.

AGENCY REPORTS

BITNER GOODMAN
No further comment

BROWARD MPO
No representative present

BROWARD COUNTY TRANSIT

- Ms. Berry stated that BCT has strong involvement in the Transit Development Plan (TDP) as well as the Public Involvement Plan (PIP). A public communication plan is being developed by Broward County, as well, a component of which will be a 2-way conversation on social media.
- BCT has recently been in the media concerning safety issues for riders. Any issue that involves a fiscal settlement is handled by the Broward County Commission. A public relations pitch is underway about safety.
- The recent Roadeo went well and as a result BCT hopes to next compete on the state level.
- Bus stops and bus shelters items are on the current legislative agenda.

FLORIDA DEPARTMENT OF TRANSPORTATION
No further comments

MIAMI-DADE TRANSIT
No representative present

PALM TRAN
No representative present

SOUTH FLORIDA COMMUTER SERVICES

- Ms. Hopman stated that SFCS is assisting MDT in promoting two of its routes, route 267 and 297.
- A Direct Mail campaign will take place to over 26,000 residents who live approximately one mile from the bus stop. Residents will receive a postcard with a coupon. The resident will need to tear the perforated coupon and present it to MDT driver to receive a one-day pass for MDT. It is hopeful that this campaign can help MDT increase ridership on these two routes.

SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY/ TRI-RAIL

DRAFT

- Mr. Garcia stated that as a follow-up to last month's RTA Marketing Meeting at which Ms. Natalie Yesbeck Pustizzi discussed the SFRTA/Tri-Rail's involvement in the TDP, a website has been created by the Planning Department. A link will be added to Tri-Rail's website for access to the TDP page.
- Mr. Garcia requested that the other agency members spread the word and asked that when the rack card about the TDP becomes available, they be displayed in their brochure racks.
- The March 2013 OnBoard newsletter has more details about the TDP
- The improved Tri-Rail weekend schedule, effective March 2nd, went off without a hitch. Stronger marketing efforts will be undertaken to communicate the new weekend service.
- Ms. Hankerson stated that the 8th Annual Senior Idol competition is under way as approximately 100 people auditioned yesterday at the Coconut Creek Seminole Casino, the new venue for this event. The auditions took place between 9:00 a.m. and 5:00 p.m. Twelve finalists are to be chosen for the May 11th sing-off competition, at which time a winner will be selected. All people who auditioned on March 19th will receive two complimentary tickets for entrance to the show.

ADJOURNMENT

The next meeting will be a conference call meeting, taking place on April 17, 2013 at SFRTA's headquarters.

There being no further business, Ms. Chiarelli moved to adjourn the meeting. Mr. Garcia seconded the motion and the meeting adjourned at 2:30 pm.

DRAFT

DRAFT MINUTES
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
OPERATIONS TECHNICAL COMMITTEE MEETING
MARCH 28, 2013, Thursday, CRM 102, @ 10:00 A.M.

The regular Meeting of the South Florida Operations Technical Committee meeting held on Thursday, March 28, 2013 at 10:00 A.M., SFRTA CRM 102, located at 800 NW 33 Street, Pompano, FL 33064.

COMMITTEE MEMBERS PRESENT:
Robyn Chiarelli, FDOT, Chair
Brad Barkman, SFRTA, Vice Chair

Present via Teleconference Call
Rob Surgeoner, CSXT
Gerry Gawaldo, Palm Tran
Jared Fried, BCT
Scott Aronson, Delray Beach
Connie Dalton, Miami-Dade
Ernest Nastari, Nova
COMMITTEE MEMBERS/ALTERNATES ABSENT:
Brad Barkman, SFRTA
Jim De Vaughn, SFRTA
Sabrina Glenn, SFCS,
Paul Manger, AMTRAK
Anthony Iovino, Nova
Jim Udvardy, SFCS
Peter Wolz, Broward County
Brian Reeves, FDOT
Eric Zahn, MDT
Others present:
Margaret Ferrara, SFRTA
Joe Quinty, SFRTA

CALL TO ORDER
The Chair called the meeting to order at 10:00 a.m.

MATTERS BY THE PUBLIC
Persons wishing to address the Committee are requested to complete an "Appearance Card" and will be limited to three (3) minutes. Please see the Minutes Clerk prior to the meeting.

CONSENT AGENDA
C1- Motion to approve the Minutes of Operations Technical Committee Meeting of November 15, 2012 and January 31, 2013, so moved, approved.

REGULAR AGENDA
Matters included under the Regular Agenda differ from the Consent Agenda will be voted on individually. In addition, presentations will be made on each motion, if desired.

INFORMATION/PRESENTATION ITEMS

Action not required, provided for information purposes only.

UPDATES/PRESENTATIONS

1. Weekend Service / Customer Service Response – Brad Barkman, SFRTA
    - Weekend service – ridership up
    - On time performance improved
    - Slightly revised bus schedule for airport / station service
    - Crews and equipment rotated all day
    - Trains could be up to 30 minutes late and still on time
    - To research new customers, ticket sales, revenue
    - Jared Fried kudos for the weekend service
    - Google nor App was updated
    - It is current at this time
    - RT 133 working good

2. Maintenance of Way / Dispatch Overview
    - Target date sometime in Jun or Jul 2014
    - Must be implemented by Dec 2014
    - No major obstacles
    - Amtrak is the Dispatcher for the entire rail corridor
    - Amtrak will continue to dispatch into when it is ready for service

3. Agencies updates:
    Palm Tran
    - Waiting for Route 72 service FDOT funding
    BCT - picks May 12 - ADL figures in house
    - CSX – pleased with the weekend performance
    - Delray Beach
    - Nova
    - MDT – next lineup June 23

4. FDOT's Alert Today, Alive Tomorrow Campaign
    - Presented by Robyn Chiarelli

5. Northern Layover & Light Maintenance Facility
    - Presented by Joe Quinty
    - Presentations emailed to the members

Bill boards to Post DOT alerts/ OLI alerts / SFRTA alerts and issues
Question: Does FDOT own any areas for billboards for these targeted issues? Robyn will look into it. The Bill boards are contracted out and there are specific guidelines.

Motion to adjourn: Next OTC meeting to convene on May 23, 2013.

Engineering & Construction
Monthly Progress Report
March 2013

Hialeah Yard Storage Tracks and Inspection Pit:

Construction of 3,300' of storage tracks (4-track configuration) with a 340' inspection pit. Contract was awarded to Gonzalez and Sons Equipment, Inc. on December 10th, 2010. Notice to Proceed was issued on January 7th, 2011. Construction of Phase I was completed on February 14, 2012. An agreement with FDOT D4 and CSXT to connect the new storage tracks to existing rail was signed on August 31, 2012. Construction of Phase 2 has begun. Storage tracks have been connected to SFRTA's Lead Track on the North. Four additional switches arrived the third week of January. Plans for Phase 2 were revised by the designer to avoid impact to the Amtrak Loop track. Final connections on the South and field revisions are completed and final project closeout is expected by the end of May 2013.

Pompano Beach Station Improvements:

Upgrade of existing Pompano Beach Station to Segment 5 station standards. Improvements consist of widening existing platforms to 25' width, new full-length canopies, solar paneling, pedestrian overpass with stairs and elevators, bus circulation improvements, and parking lot reconfiguration. The design package will include specifications to obtain, at a minimum, Silver LEED certification. The 100% design plans have been completed, and are being reviewed by SFRTA's procurement for advertisement. In addition, coordination is on-going with SFRTA and CSXT to finalize a flagging agreement. Estimated construction start is Fall 2013.

Cab and Trailer Car Procurement:

Procurement of ten (10) Cab cars and fourteen (14) Trailer cars. To-date, all ten (10) Cab cars and nine (9) out of the fourteen (14) Trailer cars have been received. Of the remaining five (5) Trailer cars, three (3) are scheduled to be delivered in April 2013, with the last two (2) being delivered in May 2013.

Engineering & Construction
Monthly Progress Report
March 2013

Opa-Locka Station Parking Expansion:

Expand parking at Tri-Rail's Opa-Locka Station, inclusive of adding about 50 new parking spaces to the south of the station; increase bus bay areas in the existing parking lot; install a pedestrian canopy over the bus waiting areas; and improve landscape and hardscape. A Work Order was executed for HNTB to provide site geotechnical investigation, site survey, environmental services required for a Categorical Exclusion as per NEPA requirements; and preparation of 30% design plans. The notice to proceed was issued on November 16, 2011, and the Geotechnical investigation, survey, and 30% design plans have been completed. Environmental services required for a Categorical Exclusion are complete. The NEPA documentation has been approved by FDOT. SFRTA's design consultant finalized their proposal for the 100% design plans and the proposal is currently being reviewed by SFRTA.

AGENDA ITEM NO. B

AGENDA REPORT
SOUTH FLORIDA REGIONAL TRANSPORTATION AUTHORITY
GOVERNING BOARD MEETING
April 26, 2013

MARCH RIDERSHIP

Total monthly ridership for March has increased 4.6 % when compared to March of last year. Weekday ridership has increased by 0.7 % for March, while the average weekday ridership in March 2012 was 14,289 per day versus 15,075 per day for 2013. Total weekend ridership has increased by 3.9 % when compared to last year. Total Fiscal Year ridership is up by 4.6%.

Revenue is shown in Chart 3. Chart 2 shows ridership month-to-month and Chart 1 combines revenue and ridership month-to-month.

MARKETING OFFICE – MARCH ACTIVITIES:

CHAMBERS OF COMMERCE

The South Florida Regional Transportation Authority's (SFRTA) Corporate and Community Relations Liaison was present at two chamber events in order to continue pursuing networking opportunities to represent the agency and explore partnerships to help promote Tri-Rail service. The Greater Fort Lauderdale Chamber of Commerce's "Biz to Biz" Leads Group meeting and the Chamber of Commerce of the Palm Beach's "One On One 101" session.

ENHANCED WEEKEND SCHEDULE

With the hourly weekend service schedule enhancement, effective March 2, 2013, the SFRTA Marketing Office continued the efforts to provide the public with the new information: Including ensuring shuttle bus modifications were completed, supplying the airports with new collateral for their service centers and disseminating the new schedule at previously scheduled events. Further discussions with the agency's advertising contractor were held to expand promotion of the schedule to a wider audience.

SPORTS AND TRI-RAIL

Discussions with SFRTA staff and representatives from different sports and athletic clubs occurred recently, including the Miami Dolphins, Florida International University, Nova Southeastern University and the Palm Beach County Sports Commission. Partnership proposals are being considered for inclusion in the agency's budget for FY 2013/2014.

TDP SURVEYS

SFRTA's Planning Department called upon the Marketing Office to assist in the promotion of the agency's Transit Development Plan (TDP). Support was given in helping to finalize TDP collateral, placing information in monthly newsletter and overseeing surveyors during station intercept surveys.

FLORIDA ATLANTIC UNIVERSITY (FAU)

A representative from the SFRTA's Marketing Office participated in FAU's new student orientation at its Davie Campus to promote our services as well as the South Florida Education Center (SFEC) Shuttle Service, to its students. A representative from Broward County Transit (BCT) was also present to provide route and fare information.

TOWN OF HAVERHILL FAMILY FUN DAY

A representative from the SFRTA's Marketing Office along with staff from Palm Tran shared a booth to provide transit information to the general public attending this event.

ONGOING COMMUNITY OUTREACH ACTIVITIES

- SFRTA Marketing Committee Meeting

EXECUTIVE SUMMARY
BUDGETED INCOME STATEMENT

March 2013

Revenue:

Train Revenue
For March 2013 year-to-date (YTD) actual revenue increased approximately $94,174 or 1% when compared to fiscal year (FY) 2013 YTD budgeted revenue. Actual revenue for FY 2013 YTD increased by $184,680 or 2% when compared to FY 2012 YTD actual revenue. This increase is attributed to an increase in ridership.

Operating Assistance
For March 2013, SFRTA received the third quarter payment from FDOT for $7,650,000. This is the third installment of the States dedicated funding, which is a yearly total of $30,600,000.

Expenses:

As of March 2013, the SFRTA FY 2013 YTD actual expenses are $3,990,856 or 8% below budget when compared to the FY 2013 YTD budgeted expense. All expenses are well within budget.

Train operations for FY 2013 YTD actual are approximately $2,291,139 or 8% below budget when compared to the FY 2013 YTD budget and increased approximately $1,216,059 or 5% when compared to FY 2012 YTD actual. This increase in FY 2013 can be mostly attributed to an increase in Fuel and Operations expense.

The major categories within Train Operations include Train Fuel, Security, Insurance and Dispatch Service:

- Train fuel expense for FY 2013 YTD actual is approximately $604,301 or 9% below budget when compared to the FY 2013 YTD budget, and increased approximately $625,004 or 11% when compared to FY 2012 YTD actual fuel expense. This increase is attributed to rising fuel prices.

- Insurance expense for FY 2013 YTD actual is right at budget when compared to the FY 2013 YTD budget, and increased approximately $409,209 or 23% when compared to FY 2012 YTD actual. This increase in FY 2013 can be attributed to increased rates due to the addition of the new cab cars to the FY 2013 policy.

Expenses (Contd.)

- Security expense for FY 2013 YTD actual is approximately $139,655 or 3% below budget when compared to the FY 2013 YTD budget, and increased approximately $85,012 or 2% when compared to FY 2012 YTD actual. This increase in FY 2013 can be attributed to five weeks within the month of March.

- Dispatch expense for FY 2013 YTD actual is approximately $85,939 or 4% below budget when compared to the FY 2013 YTD budget and increased approximately $250,587 or 13% when compared to FY 2012 YTD actual. This increase in FY 2013 can be attributed to higher monthly expenses.

Train and Station Maintenance FY 2013 YTD actual is approximately $310,423 or 3% below budget when compared to the FY 2013 YTD budget and increased approximately $1,377,290 or 14% when compared to the FY 2012 actual. This increase in FY 2013 can be attributed to the monthly fleet maintenance contract.

- Train Maintenance for FY 2013 YTD actual is approximately $103,604 or 1% below budget when compared to the FY 2013 YTD budget and increased approximately $1,571,816 or 19% when compared to FY 2012 YTD actual. This increase in FY 2013 can be attributed to an additional $750,325 in DMU maintenance expense as well as an increase in our monthly fleet maintenance expenses.

- Station Maintenance for FY 2013 YTD actual is approximately $206,819 or 13% below budget when compared to the FY 2013 YTD budget and decreased approximately $194,526 or 12% when compared to FY 2012 YTD actual. This decrease in FY 2013 can be attributed to lower monthly expenses.

Professional Services for FY 2013 YTD actual are approximately $15,880 or 4% below budget when compared to the FY 2013 YTD budget and decreased approximately $185,621 or 31% when compared to FY 2012 actual. Last year, SFRTA incurred additional consulting expenses where as in FY 2013 there were no extra consulting expenses.

Legal for FY 2013 YTD actual is approximately $122,449 or 23% below budget when compared to the FY 2013 YTD budget and decreased approximately $64,993 or 14% when compared to FY 2012 actual. This decrease in FY 2013 can be attributed to lower monthly legal expenses.

General and Administrative Expenses for FY 2013 YTD are approximately $147,574 or 10% below budget when compared to the FY 2013 YTD budget and increased approximately $134,912 or 11% when compared to FY 2012 actual. Some categories within General and Administrative expenses are Business Travel, Telecommunications, and Office Rent.

Expenses (Contd.)

- Business Travel expense for FY 2013 YTD actual is approximately $50,315 or 40% below budget when compared to the FY 2013 YTD budget and decreased approximately $8,995 or 10% when compared to FY 2012 actual. This decrease in FY 2013 can be attributed to fewer trips related to legislative matters.

- Telecommunications expense for FY 2013 YTD actual is approximately $2,360 or 1% below budget when compared to the FY 2013 YTD budget and increased approximately $74,747 or 35% when compared to FY 2012 actual. This increase in FY 2013 can be attributed to increased calls to the SFRTA 1-800 number as well as general calls.

- Materials and Supplies expense for FY 2013 YTD actual is approximately $6,222 or 6% below budget when compared to the FY 2013 YTD budget and increased approximately $54,461 or 105% when compared to FY 2013 actual. This increase in FY 2013 can be attributed to a greater amount of purchases throughout the year.

Marketing expenses for FY 2013 YTD actual are approximately $126,212 or 27% below budget when compared to the FY 2013 YTD budget and decreased approximately $152,083 or 31% when compared to the FY 2012 YTD actual.

- Marketing Contract for FY 2013 YTD actual is approximately $74,852 or 20% below budget when compared to the FY 2013 YTD budget and decreased approximately $15,151 or 5% when compared to the FY 2012 actual. This decrease in FY 2013 can be attributed to lower monthly expenses.

AGENDA ITEM NO. F

FINANCE & INFORMATION TECHNOLOGY
EXECUTIVE SUMMARY

INVOICES OVER $2,500

During March 2013, the SFRTA Accounts Payable division processed 298 invoices totaling $9,795,020.45 and disbursed 205 checks, excluding payroll, totaling $9,784,688.97.

Invoices over $2,500 represent 40.0% (82 checks) of all invoices processed in the month of March, and represent 99.4% of the value ($9,726,935.18) of all checks processed in March 2013.

Accounts Payable processed 80.5% (66 checks) of the checks over $2,500 within the 21-25 days, with 91.5% (75 checks) of the checks over $2,500 processed within 30 days.

MONTHLY CRIME ANALYSIS SUMMARY AND FARE EVASION REPORT

MARCH 2013

PRESENTED BY

STEVE COLLISTER
PROJECT MANAGER

SOUTH FLORIDA REGIONAL
TRANSPORTATION AUTHORITY
MONTHLY CRIME ANALYSIS SUMMARY

MARCH 2013

During the month of MARCH 2013, 4043 incidents were reported to, or by G4S Secure Solutions, USA, and Custom Protection Officers®, of these, one (1) Arson, Two (2) Battery on Transit Agent (C.P.O.), one (1) Burglary Auto, two (2) Thefts, and two (2) Trespass Arrest. A total of seven (7) arrests were made this month, with four (4) of them being for Fare Evasion.

MAJOR INCIDENTS

Trespass After Warning **ARREST**
Case # 03-13-77
Occurred on 03/01/2013, Friday, at 1531 hours. Subject, who was previously Trespassed and Arrested twice, was observed on the P633. The C.P.O. removed the subject from the train and contacted Palm Beach Sheriff's Office. Palm Beach Sheriff's Office arrested the subject for Trespass after Warning. Case # 13-043859.

Trespass **ARREST**
Case # 03-13-976
Occurred on 03/08/13, Friday, at 1436 hours. Subject was found on the P629 without a ticket. A check of the HHU / ROL revealed a previous trespass. Subject was removed from train. Police Department arrived and arrested subject for (2) outstanding warrants. Palm Beach Sheriff's Office Case # 13-03-02106.

Battery on Transit Agent (C.P.O.)
Case # 03-13-2006
Occurred on 03/16/2013, Saturday, at 1250 hours. Subject was observed by the officer attempting to board the P672 train without a ticket. Upon confronting subject about the fare policy, the subject struck the officer in the face and fled the area/scene. Palm Beach Sheriff's Office case # 13-049528.

METRORAIL STATION

Battery on Transit Agent (C.P.O.) **ARREST**
Case # 03-13-2788
Occurred on 03/22/2013, Friday, at 1030 hours. Subject was observed arguing with another subject charged at the officer and struck him in the chest. The subject was arrested for Battery on a Transit Agent. Hialeah Police Department Case # 13-9759.

FT LAUDERDALE AIRPORT STATION

Burglary Auto
Case # 3-13-1396
Occurred on 03/11/13, Monday, between 1830 and 2241 hours. A red mustang was observed with the rear right window broken out and glass on the ground. The radio was removed and damage to the dashboard observed. A Broward Sheriff's Office case card was on the windshield, Case # DN 13-03-687.

LAKE WORTH STATION

Theft Bicycle
Case # 03-13-2053
Occurred on 03/16/13, Saturday, between 0813 and 2318 hours. Victim states he secured his black and red 10 speed Huffy bicycle to the rack at the east parking area. Upon his return at 2318 hours, he discovered his bicycle was missing. Did not want to contact police department.

Theft Bicycle
Case # 03-13-2828
Occurred between 03/18/13, Monday and 03/22/13, Friday at unknown hours. Victim states he left his bicycle in locker #50 on the south east platform on Monday, 03/18/13, and upon his return, his bicycle was missing and the locker had been broken into. Palm Beach Sheriff's Office advised victim to file a report over the phone.

CYPRESS CREEK STATION

Arson
Case # 3-13-3856
Occurred on 03/29/13, Friday, between 1830 and 1935 hours. The officer arrived at the Cypress Creek Station to find silver Hyundai Sonata has been set on fire. Fire Rescue / Police Department were already on scene. Fire Inspector determined the vehicle was deliberately set on fire. No injuries or damage to RTA Property. Ft Lauderdale Police Department Case # 13-36035.

MEMORANDUM

To: Mr. Steven J. Collister, Project Manager, G4S/SFRTA

From: Richard D. Cannon, Jr. Investigator, ID #276

SUBJECT: MONTHLY ACTIVITY REPORT – MARCH 2013

Date: Thursday, April 4th 2013

I was assigned the following tasks for the month of: **MARCH, 2013**

As the Court Liaison Officer: I maintained contact with the Clerk of the Court, North County Regional Courthouse, Deerfield Beach, FL. I also handled the filing, service and return of subpoenas served to Custom Protection Officers assigned to the G4S/SFRTA Project. I attended all court hearings involving G4S/SFRTA/ Fare Evasion matters and tracked criminal cases.

As the Citation Coordinator: I managed the review, sorting and filing of Citations. I filed **183** citations at the North County Regional Courthouse. I also processed any voided citations and conducted inquiries as directed by the County Court Judge, related to Fare Evasion Citations. I conducted CPR/AED training for personnel assigned to the G4S/SFRTA Project, as well as entry-level training to newly assigned Transit Agents.

As the Investigator: I investigated or conducted inquiries into **8** incidents:

- **SFRTA IR #: 06-12-0797– Battery on CPO – (Pending Judicial Action, 17th Judicial Circuit)**
- **SFRTA IR #: 11-12-3297 – Train vs. Pedestrian – (Fatality) – (Pending P.D. Reports)**
- **SFRTA IR #: 01-13-3747 – Human Remains located on Tracks – (Pending P.D. Reports)**

- **COMPLAINT #: 18836 – Allegation of Battery – (Unfounded)**
- **COMPLAINT #: 19639 – Conduct Unbecoming – (Unfounded)**
- **COMPLAINT #: 19622 – Discourtesy / Conduct Unbecoming – (Unfounded)**
- **G4S CORP COMPLAINT #: ECH03111377NAT2 – Conduct Unbecoming – (Not Sustained)**
- **UNNUMBERED COMPLAINT – Discourtesy (PBCSB) – (Not Sustained)**

In addition, I obtained various police reports pertaining to incidents involving the SFRTA. Refresher training regarding interpersonal relations and conflict management were conducted. In addition, I conducted CPR/AED Re-Certification / CSX Roadway Worker Training. Lastly, I continued to provide support, logistical and troubleshooting services to the Safety & Security Administrator, as well as the Project Manager.

rdc/
cc: Mr. Allen R. Yoder
